TAPE #40

3/4/93

11:45 A.M. - 12:30 P.M.

1 (Tape 40)

2 JIM: -- be able to get back with him in a  
3 little while.

4 RACHEL: Okay. All right.

5 JIM: All right. You want to go ahead and  
6 tell him? I'll --

7 RACHEL (to Koresh): He said just wait on  
8 that for now because he needs to work on that. He  
9 doesn't want, you know, them to get excited, so just  
10 wait and he'll let us know when he can do it.

11 RACHEL TO JIM: He said okay.

12 JIM: Okay. Yeah. I understand that's --  
13 the problem and we'll see if we can help you out on  
14 that.

15 RACHEL: Well, Cyrus has been bugging me for  
16 about the past -- I don't know how long I've been on  
17 the phone with you, but he's been bugging me ever since  
18 I've got on the phone to talk to you.

19 JIM: Well, let me talk to him.

20 RACHEL: So I will let him talk to you.

21 JIM: Okay.

22 CYRUS: Hi.

23 JIM: Hi, Cyrus.

24 CYRUS: Hi.

25 JIM: Do you know who this is?

CYRUS: What?

1 JIM: Do you know who this is?  
2 CYRUS: Yes.  
3 JIM: Who?  
4 CYRUS: Jim.  
5 JIM: Yeah. How are you doing?  
6 CYRUS: Fine.  
7 JIM: What are you doing today?  
8 CYRUS: Nothing much.  
9 JIM: Nothing much?  
10 CYRUS: No, because there's no room to play  
11 in here.  
12 JIM: There's no room to play? Well, you  
13 better get some room.  
14 CYRUS: The bed's on the floor.  
15 JIM: Uh-oh. You got any good toys in there?  
16 CYRUS: No.  
17 JIM: You don't? What's your favorite toy?  
18 CYRUS: I'd say what thing is -- I don't  
19 know.  
20 JIM: You don't know? Don't you have like a  
21 truck or --  
22 CYRUS: A motorcycle is my favorite thing.  
23 JIM: Oh. I bet it's a little yellow Suzuki.  
24 Is it?  
25 CYRUS: And swimming.  
JIM: Yeah? Swimming?

1 CYRUS: Yeah.  
2 JIM: You can swim?  
3 CYRUS: Yes.  
4 JIM: Boy, you must be pretty big. How old  
5 are you? Seven?  
6 CYRUS: What? Yeah, I'm seven.  
7 JIM: You're seven and you can swim already?  
8 CYRUS: Yeah.  
9 JIM: Do you like horses?  
10 CYRUS: Not that much.  
11 JIM: No?  
12 CYRUS: No.  
13 JIM: Not that much? What do you like the  
14 most, what kind of animals? What's your favorite  
15 animal?  
16 CYRUS: Toy guns and stuff. That's not  
17 cheap.  
18 JIM: Toy guns?  
19 CYRUS: Yeah.  
20 JIM: That's the ones you like?  
21 CYRUS: Yeah. At Wal-Mart?  
22 JIM: At Wal-Mart. What's your favorite  
23 kind, a cowboy six-shooter?  
24 CYRUS: Yeah.  
25 JIM: You like those cowboys, huh?  
CYRUS: Uh-huh.

1 JIM: That's good. That's good. Well, is  
2 everybody doing okay in there?

3 CYRUS: Yeah.

4 JIM: Okay. You're going to come on out and  
5 we're going to see you soon, I hope.

6 CYRUS: Yeah.

7 JIM: Are you? You're going to walk out and  
8 see us soon?

9 CYRUS: Yeah.

10 JIM: Mark and Kevin and everybody got some  
11 ride in those big --

12 CYRUS: Tanks.

13 JIM: -- tanks, yeah. You like those?

14 CYRUS: Yeah.

15 JIM: Yeah. We want you to come out, you  
16 know. Cyrus?

17 CYRUS: What?

18 JIM: We want you to come out and bring all  
19 your friends, all the kids and everybody.

20 CYRUS: Yeah.

21 JIM: And your moms and stuff and everybody  
22 can stay together. Come on out. You know, we're going  
23 to have you come out so you can all be together.

24 CYRUS: Jim?

25 JIM: Yeah.

CYRUS: I sprained. my foot.

1 JIM: You spanked your foot?

2 CYRUS: I didn't spank it. I sprained it.

3 JIM: Oh, you sprained it.

4 CYRUS: I can walk a little, though.

5 JIM: How did you do that?

6 CYRUS: I went to -- I just fell and it  
7 sprained it.

8 JIM: Is it swollen up?

9 CYRUS: It's not that bad now.

10 JIM: Yeah. We have a doctor out here and  
11 when you come out, we'll have him look at it. Okay?

12 CYRUS: Yeah.

13 JIM: Make sure you're all right.

14 CYRUS: Can I talk to Kevin?

15 JIM: No. He's not here right now.

16 CYRUS: Oh. Is Mark?

17 JIM: No. They're, they're together, but  
18 they're not right where I am. They were here earlier.

19 CYRUS: They're my cousins.

20 JIM: They are?

21 CYRUS: Yeah.

22 JIM: They came out and we gave them some  
23 Coke and candy and they got a ride in that tank and  
24 they really thought it was neat. They said it was  
25 bumpy, though.

CYRUS: They thought what was bumpy?

1 JIM: That tank.

2 CYRUS: Oh.

3 JIM: They thought it was a bumpy ride, but  
4 they liked it. They're having fun. They're doing  
5 good.

6 CYRUS: How come they took them in the tank?

7 JIM: Well, that was just to give them a ride  
8 in it.

9 CYRUS: Oh, they wanted a ride in it?

10 JIM: Yeah. Do you want a ride? Have you  
11 ever ridden in a tank?

12 CYRUS: No.

13 JIM: Yeah. I think it would be neat. Don't  
14 you?

15 CYRUS: How come they didn't go in a car? We  
16 didn't know they went in the tank.

17 JIM: Yeah. They went in that tank. They  
18 walked down and got in it and drove away. Then they  
19 came over here to see me.

20 CYRUS: How come they didn't go in a car?

21 JIM: Oh, because we didn't have a car over  
22 there.

23 CYRUS: Oh.

24 JIM: Yeah. They did later. The tank just  
25 drove them to a car and then they got in the car. Then  
they came over here.

1                   CYRUS: Oh, the tank drove it -- the tank  
2 drove them to where?

3                   JIM: It just drove them down the street, a  
4 way, so they could have a ride, and then --

5                   CYRUS: And then dropped them off into the  
6 car and then the car took them to your place?

7                   JIM: Right. That's right. Um-hum, exactly.  
8 And I'm over here at the airport with all these  
9 airplanes and stuff and we're in a big hangar out here.

10                  CYRUS: I like, I like airplanes.

11                  JIM: Do you?

12                  CYRUS: Yeah.

13                  JIM: When you come over you can see all  
14 these. Okay?

15                  CYRUS: Yeah.

16                  JIM: I'll let you see all of them. There's  
17 even helicopters over here. Do you like helicopters?

18                  CYRUS: Yeah.

19                  JIM: They got helicopters, airplanes, you  
20 know, all kinds of stuff.

21                  CYRUS: Jets?

22                  JIM: Jets? Yeah, they got jets. And I'm  
23 inside this big giant hangar. You wouldn't believe how  
24 big it is.

25                  (Cyrus speaking to Rachel in background.)

CYRUS: Yeah.

1 JIM: Yeah. Well, I want to see you come  
2 over here.

3 CYRUS: Could I come over in the car?

4 JIM: Yeah, if you -- come on out. Tell your  
5 mom you want to come and I'll arrange it for you.

6 CYRUS: Oh.

7 JIM: You got to tell your mom.

8 CYRUS: What did you say?

9 JIM: You got to tell your mom you want to  
10 come out and see Jim and ride in the tank, and I'll,  
11 I'll call, I'll call that tank and have him waiting for  
12 you if you want to.

13 CYRUS: I want to go in the car. Tanks are  
14 kind of bumpy.

15 JIM: Yeah, I know, but just for a little  
16 while they're all right, just for a few minutes. All  
17 right?

18 CYRUS: Yeah.

19 JIM: And then at least you get to see the  
20 inside, see what that looks like. I'll bet there's not  
21 too many kids you know that have seen the inside of a  
22 tank anyway.

23 CYRUS: I know. I never been in a tank  
24 before.

25 JIM: I know. Yeah. We take your picture  
and show you what it looks like with you in that tank.

1 That's what soldiers use, don't they?

2 CYRUS: Yeah.

3 JIM: Yeah. They have tanks like that.

4 (Cyrus whispering in background.)

5 CYRUS: Did you know what they did to Mark?

6 JIM: What?

7 CYRUS: Well, what did they do?

8 JIM: Oh, where did they take him? Cyrus?

9 CYRUS: Why did those people make, make him  
10 take his jacket off and everything?

11 JIM: Oh, I don't know. I didn't see him do  
12 that. I don't know.

13 CYRUS: Well, that's what they did.

14 JIM: Oh, they did?

15 CYRUS: Yeah. They shouldn't because it  
16 makes you kind of nervous.

17 JIM: Yeah. I know that. I can understand  
18 that. It's okay, though. Mark was fine when he got  
19 here and he was real happy. He talked to his mom and  
20 he was fine.

21 CYRUS: He was real happy when he got there  
22 and he talked to his mom?

23 JIM: Yeah. He's real happy and he was  
24 sitting right next to me in this chair and he was  
25 eating a candy bar and a Coca Cola. And I said, "How's  
that tank?" and he said, "It's fun, but it's bumpy."

1 CYRUS: Yeah. Did the tank drive him all the  
2 way there?

3 JIM: No, just a little ways and then he got  
4 in the car. Then he was able to get in a car, a police  
5 car, one with lights on the top. You ever ridden in a  
6 fire truck?

7 CYRUS: A what?

8 JIM: A fire engine or police car?

9 CYRUS: No.

10 JIM: Well, that would be fun, wouldn't it?

11 CYRUS: Yeah, maybe, but I wouldn't want to  
12 drive in one. I'd rather go in a tank than one of  
13 those.

14 JIM: Yeah? Tanks are big. Airplanes are  
15 really neat, though.

16 CYRUS: I know.

17 JIM: Well, let me talk to your mom.

18 CYRUS: Okay. Here she is.

19 RACHEL: How come you didn't let the children  
20 have those puppies?

21 JIM: Rache?

22 RACHEL: Yes.

23 JIM: I'm sorry. I didn't hear you.

24 RACHEL: How come they didn't let the  
25 children have those puppies?

JIM: What we did, we took them to a vet, a

1 | veterinarian.

2 |           RACHEL: Um-hum.

3 |           JIM: And he said they needed some vitamins  
4 | and some kind of formula or something. He said they  
5 | were a little bit sick and they were so newborn, you  
6 | know?

7 |           RACHEL: Yeah.

8 |           JIM: And so he was taking care of them.  
9 | That's the last I heard.

10 |           RACHEL: Well, we heard it on the radio that  
11 | they are --

12 |           JIM: I can't hear you barely.

13 |           RACHEL: We heard that they already have new  
14 | homes, all of them.

15 |           JIM: Well, I think what -- the vet had told  
16 | us that each one of them had to be inoculated,  
17 | vaccinated and hand bottle fed for a few days to get  
18 | their strength up.

19 |           RACHEL: Um-hum.

20 |           JIM: I guess, you know, maybe -- was the  
21 | mother killed or something?

22 |           RACHEL: Yes.

23 |           JIM: Okay.

24 |           RACHEL: They killed all, all those of  
25 | David's dogs.

          JIM: Okay. Well, that's the reason they

1 | were weak, so the vet had to give them out for -- you  
2 | know, to be actually bottle fed and, you know, to get  
3 | their strength up. They're cute little things.

4 |           RACHEL: Um-hum.

5 |           JIM: When they -- what are they, malamutes  
6 | or something?

7 |           RACHEL: Well, actually we weren't too happy  
8 | about the cross-breeding.

9 |           JIM: Oh.

10 |           RACHEL: We wanted a pure breed and we had  
11 | the dogs in the front yard blocked off so that, you  
12 | know, they wouldn't get out and -- to get to the other  
13 | dogs and so the dogs on the outside wouldn't get to  
14 | them but, anyway, a male dog from the outside -- I  
15 | don't know how he got in, jumped over --

16 |           CYRUS IN BACKGROUND: Jumped in.

17 |           RACHEL: Jumped over. Oh, yeah, he jumped  
18 | over because the female dog was in heat, so he jumped  
19 | over and he was not a malamute, so he's the one that  
20 | got her pregnant.

21 |           JIM: Oh, I see.

22 |           RACHEL: He was a brown -- he was totally  
23 | brown. I don't know what kind of dog he was. He was  
24 | kind of a husky looking dog.

25 |           JIM: Yeah.

          RACHEL: And so they're not full breeds.

1 JIM: Oh, I see.

2 RACHEL: But the malamutes were.

3 JIM: Yeah. I saw -- they kind of -- don't  
4 they kind of have like a little black face or  
5 something?

6 RACHEL: You know, they're from Alaska, those  
7 type of dogs, and they have black and white in them.

8 RACHEL TO CYRUS: Did they have grey at all?

9 CYRUS: Part wolf.

10 RACHEL TO CYRUS: Do they have grey? Do they  
11 have grey in them? Did the dogs have grey in them or  
12 is it just black and white? Malamutes.

13 RACHEL: I think it's just black and white,  
14 but they're -- they get -- in the wintertime they get  
15 really furry. Not just black and white, maybe, maybe  
16 have some brown and different colors in them, you know.  
17 It's --

18 JIM: Right.

19 RACHEL: It's, it's just a kind of a mixture,  
20 but they're real -- they get real furry and husky type.

21 JIM: Yeah.

22 (Cyrus talking to Rachel in background.)

23 JIM: I love dogs. They're, they're cute.  
24 Those are -- they're well cared for.

25 RACHEL: Um-hum. Yeah. We just wanted to,  
you know, get them out of here because they did need

1 | some special attention.

2 |           JIM: Well, I know you, you did and in any  
3 | case we got them to the vet and --

4 |           RACHEL: The kids were having to feed them  
5 | out of baby bottles.

6 |           JIM: Well, hey, that's exactly what the vet  
7 | said, yeah. He said they had to be like hand fed, you  
8 | know.

9 |           RACHEL: Um-hum.

10 |           JIM: And he gave them some vitamins and he  
11 | said they were just fine except they're just so little  
12 | that, you know, without their mother they had to have  
13 | the vitamin boost and the, and the hand feeding, so I  
14 | think that was why they did it that way. Is there some  
15 | other dogs out there?

16 |           RACHEL: Other dogs?

17 |           JIM: Yeah. Is there any other dogs?

18 |           RACHEL: I don't know. I don't know if they  
19 | killed them or not.

20 |           JIM: They -- of course, we know there's some  
21 | dead. That's the ones the guys want to bury, you know.

22 |           RACHEL: Yeah. Well, those are right in the  
23 | front yard. The other -- we had some others and they  
24 | were just roaming around. They're all just stray dogs.  
25 | I mean, people like to drop off dogs in the country, I  
   | think.

1 JIM: Oh, yeah.

2 RACHEL: And we'd get dogs and we'd try to  
3 get rid of them and after awhile we just stopped trying  
4 to get rid of dogs.

5 JIM: Um-hum, I understand.

6 RACHEL: Because sometimes you get rid of  
7 them and they come back.

8 JIM: Yeah.

9 RACHEL: But I don't know if we have any more  
10 or not because I don't know if they -- they may have  
11 killed them.

12 JIM: Yeah. Well, how's David doing?

13 RACHEL: Let's see. I can't really tell.  
14 There's -- I can't even see him.

15 JIM: You know, we're ready if you want to  
16 send some other children out.

17 RACHEL: Just a minute. Let me see if I can  
18 talk --

19 JIM: Yeah, talk to him. You know --

20 CYRUS: Jim?

21 JIM: Hey, Cyrus.

22 CYRUS: Are we going to be able to get -- go  
23 to our grandma?

24 JIM: Well, we'll try. Where's your grandma  
25 at?

CYRUS: She's in --

1 CYRUS TO RACHEL: Is she in Tyler?  
2 CYRUS: She lives in Chandler.  
3 JIM: Where?  
4 CYRUS: Chandler.  
5 JIM: Chandler, Oklahoma?  
6 CYRUS: Huh?  
7 JIM: Chandler, Texas? Oh, yeah. Okay.  
8 Yeah. Well, we can, we can give them a call and see if  
9 we can get in touch with them, you know.  
10 CYRUS: It's Chandler and it's by Tyler.  
11 JIM: By Tyler. Okay.  
12 CYRUS: We really want to be with our grandma  
13 than with someone we don't know.  
14 JIM: Hey, let me check on that for you.  
15 Okay?  
16 CYRUS: Yeah.  
17 JIM: Okay? Do you like your grandma?  
18 CYRUS: Yeah.  
19 JIM: Okay. Yeah.  
20 (Cyrus whispering in background.)  
21 JIM: Give me her name, Cyrus, so I can check  
22 on it.  
23 CYRUS: Cyrus --  
24 JIM: No, not your name, your grandma's name.  
25 CYRUS: Oh, Bonnie.  
JIM: Bonnie what?

1 | children were all in one place.

2 |           JIM: Right. Yeah, I heard him say that and  
3 | I know that's not right.

4 |           RACHEL: No, it's not true. They were  
5 | scattered all over the whole building --

6 |           JIM: Yeah, I know that's not --

7 |           RACHEL: -- in their own rooms.

8 |           JIM: Yeah, I know that. I mean --

9 |           RACHEL: Well, can you correct it?

10 |           JIM: Yeah, I'll pass the word on,  
11 | absolutely.

12 |           RACHEL: Thank you.

13 |           JIM: Absolutely. Okay. Hey --

14 |           RACHEL: Just a minute, just a minute.

15 |           JIM: All right. Hello?

16 |           MR. KORESH: Good morning, Jim.

17 |           JIM: David.

18 |           MR. KORESH: This -- hello?

19 |           JIM: Hello, how are you?

20 |           MR. KORESH: This guy is full of it isn't he?

21 |           JIM: Yeah, Rachel just told me. I

22 | understand that's not right, that I know the women and  
23 | children were all around in there, you told me that.

24 |           MR. KORESH: Now, what are you, what are you  
25 | going to do about that agent that, that confessed that,  
that they fired first, which is what happened?

1 JIM: Yeah, well --

2 MR. KORESH: You, you all guys are going to  
3 be really in hot, hot water.

4 JIM: Well, I, I think so. I mean, I think  
5 you, you have a side here that needs to be heard and --

6 MR. KORESH: Yeah, and another thing is --

7 JIM: I mean, I think that's the facts that  
8 need to come out.

9 MR. KORESH: It's kind, it's kind of strange  
10 that I didn't get -- I didn't, I didn't fall down dead  
11 right there in the door isn't it?

12 JIM: Well, I, I -- that's true.

13 MR. KORESH: Do you know, do you know how  
14 many bullets came through the walls and that door?

15 JIM: Geez, I don't know. I think, you know,  
16 that's a point we talked about yesterday.

17 MR. KORESH: It sounded, it sounded like  
18 popcorn.

19 JIM: Oh, I know it. I, I think that, David,  
20 that's something you need to be --

21 MR. KORESH: And they also said, they also  
22 said that, that, that, that they, that they heard me  
23 say, you know, you know, get back, there's women and  
24 children in here, let's talk about this -- then blap.

25 JIM: Well, see, David, you can see that  
there's a lot of people that are going to support your

1 position in the court.

2 MR. KORESH: Oh, well, the thing of it is,  
3 you know, like I say, it's, it's above and beyond that.  
4 There's, there's a, there's a lot of -- oh man, I mean  
5 --

6 JIM: Well, listen, it's going to be a big  
7 investigation. Everybody's going to be interviewed and  
8 --

9 MR. KORESH: Oh, I know that. It's, it's a  
10 big one right now.

11 JIM: Well, I think, you know, when you, when  
12 you walk out --

13 MR. KORESH: Because, you know, you know,  
14 there's another -- there's, there's a lot of these  
15 films and stuff that we already, you know, got ready to  
16 set up called, The BATF Breaking the Law in the Name of  
17 the Law?

18 JIM: Um-hum.

19 MR. KORESH: You know, National Gun Owner's  
20 Association and all that?

21 JIM: Yeah, the gun owners?

22 MR. KORESH: Yeah.

23 JIM: Um-hum, um-hum. Yeah, that's what I'm  
24 saying. There are some --

25 MR. KORESH: And --

JIM: -- there's other similar situations and

1 I think that, you know, you can tell your story.

2 MR. KORESH: And, you know, like I, like I  
3 told Robert, Robert could have -- those guys could have  
4 arrested me anytime they wanted to.

5 JIM: Um-hum.

6 MR. KORESH: And the Sheriff's Department and  
7 stuff like that could have -- you know, you all guys  
8 just wanted to play cowboys. That's just the way the  
9 impression is.

10 JIM: Um-hum.

11 MR. KORESH: And that guy was down there at  
12 the bar in Waco and he heard those -- and you all, you  
13 all aren't supposed to be drinking anyway, you know?

14 JIM: Um-hum.

15 MR. KORESH: And you all out there and  
16 bragging and shooting your mouth off about coming and,  
17 and, and cleaning us out out here at this compound. I  
18 mean --

19 JIM: Yeah.

20 MR. KORESH: -- you know, people heard that.

21 JIM: Well, David, I think, you know, that  
22 it's important, and you and I realize it, and I can  
23 tell you that --

24 MR. KORESH: Isn't it, isn't it sad that,  
25 that, that, that people are, are that --

JIM: I, I --

1 MR. KORESH: -- foolish?

2 JIM: -- I agree. I think --

3 MR. KORESH: And, you know, answer me another  
4 thing. Is -- why, why is it that, that there's these  
5 young men that are supposed to be old enough to know  
6 better --

7 JIM: Um-hum.

8 MR. KORESH: -- dare get on a ladder and try  
9 to climb up on a roof of a place and try to break  
10 through some windows?

11 JIM: Um-hum.

12 MR. KORESH: I mean --

13 JIM: Well, you know, there's always a lot of  
14 unfortunate comments from ill-informed people and, and  
15 the media is very interested in your side of the story.

16 MR. KORESH: Yeah, I understand that.  
17 That's, that's why you all have locked me off from the  
18 outside. But, but the thing of it is is that --

19 JIM: Um-hum.

20 MR. KORESH: -- it's just another  
21 bureaucratic way of showing the oppression of this  
22 nation.

23 JIM: Um-hum.

24 MR. KORESH: You know, that's what you guys  
25 play. You know, you want it all one-sided now.

JIM: Um-hum. No, David, I, I don't want to

1 suppress your side. I -- you know that Henry and I  
2 don't. I think you --

3 MR. KORESH: Well, I --

4 JIM: -- you should tell your side.

5 MR. KORESH: What did he say, what did he  
6 say?

7 (Indiscernible voices in background.)

8 MR. KORESH: No, they never gave us the phone  
9 yet either like we've been asking for the past two  
10 days.

11 JIM: Hey, we're, we're working on that.

12 MR. KORESH: This guy's telling the, the  
13 media -- of course, like I say, you know, remember,  
14 Jim, it's -- we're not really involved on this side of  
15 it but --

16 JIM: Um-hum.

17 MR. KORESH: -- it's, it's -- you know, he's  
18 saying that you all call all the time and we don't  
19 answer the phone for --

20 JIM: Oh, he doesn't know. That's not the  
21 case.

22 MR. KORESH: Well, I mean that's what he's  
23 telling the news.

24 JIM: Yeah. Well, you, you know what the  
25 hell those things are, goes through ten people and it's  
all mixed up. But, you know -- you know, they're

1 ad-libbing. They don't -- might know all the facts or  
2 they've got it through three different levels and they  
3 say, oh, well, you know -- that might have been from  
4 two days ago or something when, you know, you --

5 MR. KORESH: One guy looks like he worries  
6 too much.

7 JIM: Worries too much?

8 MR. KORESH: The older man?

9 JIM: (Laughter) He probably does.

10 MR. KORESH: I sure wish you'd let Robert  
11 give me a call, I really want to talk to that young  
12 man.

13 JIM: Yeah, I know you do. How are you  
14 feeling today?

15 MR. KORESH: Well, I've, I've been trying for  
16 an hour to get up on the toilet.

17 JIM: Oh, really?

18 MR. KORESH: And I've been having to, to  
19 figure out a way -- we're trying to figure out a way of  
20 maybe building something to where I can like use my  
21 right arm to pull up.

22 JIM: Do, do you want me to talk to the  
23 doctor for you?

24 MR. KORESH: Wait a second. Let me -- they  
25 keep referring back to 1988 --

JIM: Oh, man --

1 MR. KORESH: -- which in -- that was when  
2 Harwell -- look --

3 JIM: Yeah, I know about Roden and them,  
4 yeah.

5 MR. KORESH: No, no, but you don't understand  
6 the whole story, and I explained it to, to Henry last  
7 night.

8 JIM: Um-hum.

9 MR. KORESH: You know, here, here's eight  
10 guys and here's George Roden standing out in the open  
11 and all of a sudden all, all these guys are blasting  
12 off guns. How come the guy didn't drop dead?

13 JIM: Oh, I know, and of course you were  
14 acquitted on that.

15 MR. KORESH: No, no, no, but, but how come he  
16 didn't drop dead?

17 JIM: Yeah. You mean Roden?

18 MR. KORESH: Yeah.

19 JIM: I don't know. I don't know.

20 MR. KORESH: Because nobody fired at him.

21 JIM: Yeah.

22 MR. KORESH: They were, they were, they were  
23 standing still in the position that -- of the night  
24 before when we originally went into the church to find  
25 the casket.

JIM: Um-hum.

1 MR. KORESH: The weapons were taken only as a  
2 diversion. We fired in the ground in case --

3 JIM: Yeah.

4 MR. KORESH: -- George came -- come -- came  
5 out after me and the other two guys.

6 JIM: Right.

7 MR. KORESH: They were trying to take the  
8 pictures of the church.

9 JIM: Um-hum.

10 MR. KORESH: There was a group of guys at  
11 the, at the dump ground and a group down at the, at the  
12 lake by the dam and that's what they were for and  
13 that's why that day --

14 JIM: Um-hum.

15 MR. KORESH: -- when George came out and  
16 stood there in the middle of the road and fired at Stan  
17 and, you know, the bullet ricocheted and hit Stan in  
18 the pocket --

19 JIM: Um-hum.

20 MR. KORESH: -- but that was all used as  
21 evidence. I mean, you know, the guy would have been  
22 dead --

23 JIM: Um-hum.

24 MR. KORESH: -- if we had wanted him dead.

25 JIM: I know that, I know that.

MR. KORESH: But there, there was no question

1 | on it. Now, the Sheriff's Department had nerve to tell  
2 | me that I'd been better off if I'd shot him. Now,  
3 | that, now, that -- someone's going to be judged on a  
4 | statement like that.

5 |           JIM: Yeah, that, that's not right. But --

6 |           MR. KORESH: But if you had shot him and  
7 | killed him you, you ought to have gotten off easier.

8 |           JIM: Well, let, let me make a point with you  
9 | that you'll appreciate, okay? And that is that your  
10 | side of this that you have told to me and Henry and,  
11 | and Rachel and, and the others have told us in the last  
12 | few days, okay? The reporters need to get it and you  
13 | need to tell it --

14 |           MR. KORESH: Well, why don't you --

15 |           JIM: -- to the court.

16 |           MR. KORESH: No, no, no, no, no. Why  
17 | don't -- look, like I said, my God, the one I've been  
18 | trying to tell you about --

19 |           JIM: Um-hum.

20 |           MR. KORESH: -- there's decisions being made,  
21 | big decisions, based upon people are, are, are, are  
22 | jumping and making judgments off of what they've been  
23 | hearing which is, you know, all one-sided. This guy  
24 | here is on TV answering all these questions as if he's  
25 | an authority.

          JIM: Um-hum.

1 CYRUS TO RACHEL: Bonnie what?  
2 CYRUS: Wait a minute, okay?  
3 CYRUS TO RACHEL: Momma? Mommy? Mommy, is  
4 Grandma's name Bonnie what? He might get us -- we  
5 might get to be able to go to Grandma's house. Her  
6 name is Bonnie what?  
7 RACHEL TO CYRUS: He'll put you in a foster  
8 care home.  
9 CYRUS TO RACHEL: No. He's going to -- me,  
10 but he needs Bonnie's -- and then her last name.  
11 RACHEL TO CYRUS: Haldeman.  
12 CYRUS: Bonnie Haldeman.  
13 JIM: Haldeman?  
14 CYRUS: Yeah.  
15 JIM: Okay.  
16 CYRUS: Here's my momma.  
17 JIM: Okay. Rache?  
18 STAR: Hi.  
19 JIM: Hi. Hey, is Rachel there?  
20 STAR: No.  
21 JIM: Who is this?  
22 STAR: Star.  
23 JIM: Star? Oh, okay. How are you doing?  
24 STAR: Fine.  
25 JIM: Are you going to come out and see me?  
STAR: Hum?

1 JIM: Are you going to come out and see me?

2 This is Jim.

3 STAR: Yes.

4 JIM: Okay. Good. I want to see you later.

5 Okay? All right? Would that be good?

6 STAR: Okay.

7 JIM: All right. Let me talk to your mom.

8 STAR: What?

9 JIM: Is your mom there?

10 STAR: My dad is.

11 JIM: Oh, is he there?

12 STAR: He's talking to her.

13 JIM: Oh, your dad's talking to her?

14 STAR: Yes.

15 JIM: Okay.

16 STAR: But now she's here.

17 JIM: Okay. Let me talk to her.

18 RACHEL: Jim?

19 JIM: Hey, Rache, Bonnie Haldeman, is that  
20 Cyrus' grandmother?

21 RACHEL: Yes.

22 JIM: They told me that she was already here  
23 in Waco.

24 RACHEL: Uh-huh.

25 JIM: And she was supposed to be going with  
the Health and Human Services people to some hearing on

1 Tuesday --

2 RACHEL: Uh-huh.

3 JIM: -- to get custody of the kids.

4 RACHEL: Oh, really?

5 JIM: Yeah. That's what they told me.

6 RACHEL: Of which ones?

7 JIM: Well, apparently -- no, they didn't  
8 tell me. All of them. All of them or all of them she  
9 wants. I don't know how many grandchildren she has  
10 there.

11 RACHEL: Oh, okay.

12 JIM: Do you know?

13 RACHEL: Well, I don't know what she's doing,  
14 so --

15 JIM: Okay. I mean, do you want the kids to  
16 be with her?

17 RACHEL: Yeah, because I mean, I'd rather  
18 have them with somebody close, you know.

19 JIM: Okay. Well, I mean --

20 RACHEL: Anyway, Steve wants to talk to you.  
21 Okay?

22 JIM: Okay.

23 RACHEL: David said to tell you he'll be  
24 having a baby here in a little bit.

25 JIM: Oh, no, no.

RACHEL: Not --

1 JIM: I know what you mean.

2 RACHEL: Not him. It's someone else.

3 JIM: Oh. Is one of the ladies really having  
4 a baby?

5 RACHEL TO DAVID: He said is one of the  
6 ladies having a baby?

7 RACHEL: Two of them.

8 JIM: Two of them?

9 RACHEL: Um-hum.

10 JIM: Yeah. That's not today, is it?

11 RACHEL TO DAVID: He said is that today?

12 RACHEL: No, not today.

13 JIM: Okay. I'm saying if they're that  
14 close, though, do we need to send them out?

15 RACHEL TO DAVID: He said they're that close,  
16 we need to send them out.

17 RACHEL: We might let someone come in like a  
18 midwife or something.

19 JIM: Oh, we can't let anybody come in.

20 RACHEL: Well, then we'll just have to do it  
21 ourselves, won't we?

22 JIM: Okay. Rache?

23 RACHEL: Yeah.

24 JIM: Okay. Sure you don't want to let them  
25 come out? I mean, we'll get them to the hospital.

RACHEL: They don't -- you know, if they

1 | don't want to, they want to.

2 |           JIM: Well, I understand.

3 |           RACHEL: So if you don't want to let a  
4 | midwife come in, then we'll just have to do it  
5 | ourselves.

6 |           JIM: Okay. All right.

7 |           RACHEL: I mean, yeah, I've had three  
8 | children and I've had --

9 |           JIM: That's your decision.

10 |          RACHEL: I had all my three children at home.

11 |          JIM: Yeah. I understand.

12 |          RACHEL: You know?

13 |          JIM: That's your decision. If you need  
14 | anything, medical supplies --

15 |          RACHEL: Can I ask you something?

16 |          JIM: Yeah.

17 |          RACHEL: Why is it that you'll let a doctor  
18 | come in to help David, but you won't let a midwife in  
19 | to deliver a baby?

20 |          JIM: Well, we won't let a doctor in to help  
21 | David.

22 |          RACHEL: I thought that's what you said to  
23 | me.

24 |          JIM: No. I have a doctor here --

25 |          RACHEL: Oh, okay.

          JIM: -- with me at the airport and what I

1 | will do is you tell me about his wounds --

2 |           RACHEL: Okay.

3 |           JIM: -- and I will advise you that the  
4 | doctor says this or if you do this. You see, that's  
5 | what I meant. If he comes out he can see the doctor.  
6 | We can't send anyone in, you know.

7 |           RACHEL: Okay.

8 |           JIM: Because, you know, they wouldn't go.  
9 | They'd be afraid, you know.

10 |           RACHEL: Right. Steve wants to talk to you.  
11 | Okay?

12 |           JIM: Okay.

13 |           STEVE: Hello, Jim.

14 |           JIM: Steve, how are you doing?

15 |           STEVE: Not too bad. Yeah. I was listening  
16 | to that on the radio. I didn't see it actually on T.V.  
17 | about the, the press conference that was given and --

18 |           JIM: Yeah.

19 |           STEVE: -- it's always entertaining to see  
20 | what some of the ATF agents or the FBI agents are going  
21 | to say, how they say it, the implication of it, the  
22 | connotations used.

23 |           JIM: It's not very accurate, I know.

24 |           STEVE: Number one, you know, I don't -- like  
25 | yesterday, I mean, like we were talking, how they gave  
   | the information out that guys here had a gun battle

1 | with the Sheriff's Department in '87. I mean --

2 | JIM: Well, that's not right.

3 | STEVE: Well, you mean to tell me these  
4 | agencies with all the evidences, all the different  
5 | equipment at hand and everything else, they can't get  
6 | the facts together before they go on national,  
7 | international?

8 | JIM: Well, they should.

9 | STEVE: I mean, yeah. Well, that sounds  
10 | nice, you telling me that they should, but you're in a  
11 | position where you -- you know, I'm cut off. I can't  
12 | talk to anybody but yourself, so you can sympathize  
13 | with me and say nice things to me like this, but when  
14 | it keeps on coming out on the T.V. and like what was  
15 | said about David in this conference earlier today,  
16 | "Well, he's miraculously recovering," and then, of  
17 | course, all the laughter. If you got to see what you  
18 | guys did to him -- I did. I thought -- he thought I  
19 | thought he would have been dead within hours of that.  
20 | He was laying on the floor. We dragged him along.  
21 | He's never moved from that place.

22 | JIM: Well, I know that.

23 | STEVE: That's the truth.

24 | JIM: I know that.

25 | STEVE: And when -- you showed concern  
because you thought like yourself as there may be Gary

1 and Henry that he would die and I tell you the truth,  
2 we thought more than likely originally he would.

3 JIM: I'm glad he's better.

4 STEVE: Well, yeah, I am too, but, you know,  
5 it's the way it was stated even to the press like, you  
6 know, it's a, it's a sarcasm to his -- you know, the  
7 lamb and the seven seals. Only the lamb can open up  
8 the seven seals. And then he's never claimed to be  
9 Jesus Christ. He never said he was.

10 JIM: I agree. He's never said that.

11 STEVE: He did state that only the lamb can  
12 open the seven seals and he offers to show people all  
13 throughout the scriptures the seven seals.

14 JIM: Right. Steven, I know that and the  
15 only thing that they --

16 STEVE: That way -- see, that way, Jim, God  
17 says who this person is. You see what I'm saying?

18 JIM: I understand.

19 STEVE: But, I mean, well, what -- do you  
20 have any kind of -- probably no influence, but you  
21 probably can at least communicate. Can't -- what about  
22 these conferences?

23 JIM: I promise that I will and let me tell  
24 you that what we have communicated up there, Henry and  
25 I, is that -- and I'm sorry and I apologize for that  
comment on the T.V. that was made that way. If that

1 man made it, it shouldn't have been done that way, but,  
2 but we have passed up, okay. I want you to know.

3 STEVE: Okay.

4 JIM: And that was that Sunday David was  
5 hurting. Okay?

6 STEVE: Um-hum.

7 JIM: That was Sunday evening. You remember?

8 STEVE: Oh, yeah, for sure.

9 JIM: And --

10 STEVE: But it's these kind of sarcastic  
11 comments, the way they're, you know, put out.

12 JIM: I think, I think that was very  
13 inappropriate for them to do that and I will pass that  
14 up and I think it is inappropriate.

15 STEVE: I mean, this is really -- I really --  
16 to tell you the truth, I'm really teed off. I hate to  
17 see how this country of America has digressed and your  
18 type of agencies are one of the biggest causes for it.  
19 You -- some of you young guys like yourselves, you have  
20 a job. You've become a professional in an area. At  
21 the same time there is getting to be a Big Brother.  
22 You're part of it. You do your job right and you may  
23 have a family and so forth, but there's still a  
24 vigilance of freedom that needs to be kept up. Read  
25 the writings on the statements of people like Abraham  
Lincoln or Jefferson or Madison, the great principles

1 laid down, so things that are happening now  
2 that -- which you are more a part of than anybody,  
3 would never take place. Like I can't talk to the  
4 outside world. You've taken care of that, your kind of  
5 people.

6 JIM: I understand.

7 STEVE: The press are so far back that you  
8 guys could come and blow us away and they wouldn't --  
9 and you could write -- give any kind of a story you  
10 wanted.

11 JIM: We're not going to blow you away.

12 STEVE: I don't care if you -- let me tell  
13 you something, Jim. I really don't care if you did or  
14 didn't. In the first place, the point being, there is  
15 a God that you and I stand before whether you and I  
16 believe it or not and on one day all of us give an  
17 account. And I mean, we, this group, does fear God  
18 first over man.

19 JIM: I believe that.

20 STEVE: I know you believe that.

21 JIM: I know this.

22 STEVE: But, you know, it's starting to  
23 become annoying after all these days of sitting here.  
24 When I see this kind of stuff and you hear it on the  
25 radio, I mean, I've known for years what's been  
happening.

1 JIM: Well, Steve --

2 STEVE: No, no. Listen to me, please. I  
3 just want to get something off my chest --

4 JIM: Okay.

5 STEVE: -- because, you know, after awhile it  
6 gets very annoying.

7 JIM: I understand.

8 STEVE: For years and years as a young person  
9 I was into the study of history because one does not  
10 want to repeat the mistakes of others. I've always  
11 wanted to see why there was a first World War, why a  
12 second World War, so I've taken a lot of history  
13 classes through high school and so forth. Many  
14 questions were raised, but few answered and the answers  
15 that were given never really made a lot of sense.  
16 There was not a lot of logic or sense to those answers.  
17 Then I started hearing about a group called the Council  
18 on Foreign Relations, a group called the Trilateral  
19 Commission.

20 JIM: I've heard -- hey, I've heard of that.

21 STEVE: I know. The Illuminati. Come to  
22 find out, they're real organizations with the  
23 Rockefellers and all these great merchants behind all  
24 of these politicians, all of these puppets.

25 JIM: Is it --

STEVE: But your, but your agency and all

1 | those are part of that whole thing, taking away the  
2 | freedoms of America and using innuendos and all sorts  
3 | of the ways to go about doing it, more legislation,  
4 | more regulations, more laws, so that ultimately a  
5 | person has no freedom. So taxed to death that you  
6 | never have a choice with the hard earned money you make  
7 | to choose to where it should be paid.

8 | JIM: Yeah.

9 | STEVE: I mean, think of this whole thing.

10 | JIM: I understand.

11 | STEVE: But here you're a part of an agency,  
12 | a part of the government, that has done some of the  
13 | most -- I saw that Gun Owners of America, that video.

14 | JIM: Um-hum.

15 | STEVE: I don't know if you ever got to view  
16 | that one that talks about your agency, how you're law  
17 | breakers and what you did to those two policeman that  
18 | were good cops all their li-- all those 20 years out in  
19 | New Jersey.

20 | JIM: Right.

21 | STEVE: I mean, that -- I mean, if that  
22 | doesn't tee off an American that's into freedom, and  
23 | I'm for your freedom also, for your freedoms of choice.

24 | JIM: Right.

25 | STEVE: But what you guys have already showed  
me, what you did with the Weaver case, I mean, that

1 | already bothered me and here now I'm involved in  
2 | something like this.

3 |           JIM: Yeah.

4 |           STEVE: Whatever happens to me I hope that  
5 | you have yourself right with God, that you're not part  
6 | of an organization or part of something that -- I mean,  
7 | God condemns that kind of thing. You might think he  
8 | condemns a lot of things we're doing and from what  
9 | you've heard about us, but you've gotten to hear a lot  
10 | of things out of the mouth of David here.

11 |           JIM: Yeah.

12 |           STEVE: And you go find your greatest  
13 | theologian in the world. If there -- if there's some  
14 | truth to that Bible -- I think you said your background  
15 | was Catholic?

16 |           JIM: Well, when I was a little boy and then  
17 | now I'm a Christian.

18 |           STEVE: Whatever that means. You know, I  
19 | mean, I'm not a Christian. I've always wanted to be a  
20 | Christian, but a Christian is something I have not seen  
21 | in my whole lifetime. But, anyway, aside from that --  
22 | but, you know, I'm again concerned about what's going  
23 | on. All my years in this country of American I've  
24 | always loved the Constitution and the statements of men  
25 | like Abraham Lincoln and Jefferson, some of these men,  
but this country is no longer what it was then. Now

1 | there's men that have -- very powerful men that, that  
2 | -- those guys that do get into office. I mean, when  
3 | you look at someone like Bush and Clinton, both  
4 | associated with the Trilateral Commission, who are you  
5 | voting for? Just like in '80 you had what's his name,  
6 | Anderson and Carter, Carter being the first member, the  
7 | first one to become President in '76, handpicked by  
8 | Rockefeller in '73. Every cabinet member belonged to  
9 | the Trilateral Commission. What on earth is this?  
10 | What's happened to this country. But you don't read  
11 | about it in the press. Is it controlled, is the  
12 | question? Well, how come you don't get a broader view  
13 | of things?

14 |               JIM: Yeah.

15 |               STEVE: And those men that are on these talk  
16 | shows even, right away if there's someone in there that  
17 | starts speaking logic or sense or if they raise a  
18 | question about your agency or anything else, who's  
19 | watching the watchdog. You understand?

20 |               JIM: Right.

21 |               STEVE: Who's watching the watchdog? Right  
22 | away they get -- usually are taken off or the time is  
23 | out. I mean, I've watched this all my life. I've  
24 | always considered myself to be a conservative, someone  
25 | who is not into taxes, who's into the freedom of people  
   | so that they can express themselves. They can create.

1 They can do -- as long as they're not hurting their  
2 fellow man, they're doing the best. But, I mean,  
3 that's not the way this country is degenerating to and  
4 this is what the Bible shows in advance.

5 JIM: Right.

6 STEVE: But, you know, me watching this --  
7 you know, like you hear this on the, on the radio and  
8 so forth. Here we go again. But maybe, if we're  
9 right, what we're telling you through the Bible and  
10 David's showing you, there's going to be a one last  
11 time. People are going to be answering. There's going  
12 to be someone that's going to open up a book that has  
13 to do with your eternal salvation, my eternal  
14 salvation. If it's not him, it's going to be somebody.

15 JIM: Right.

16 STEVE: And I could give you enough chapters  
17 and verses right now where you can go back to the Old  
18 Testament. It talks about a man that comes in the  
19 final days that can open up and show information of the  
20 future pertaining to one's salvation, and they can't  
21 controvert it. That's what all these prophets talk  
22 about. Yet you've got all these theologians,  
23 ministers, priests that are totally unaware of it,  
24 totally unaware.

25 JIM: Yeah.

STEVE: Because I've met with them myself and

1 they're quiet. They don't know how to answer you.

2 They can't.

3 JIM: Well, you know, it's hard to get into a  
4 debate, Steve, with you for those ministers. I mean,  
5 you're a pretty bright guy and you know your --

6 STEVE: No. I'm a person that has always  
7 loved truth.

8 JIM: Right.

9 STEVE: Whatever I am or not. You know, some  
10 said I can speak and this, that. I -- there's many  
11 that can speak ten times better than myself. But,  
12 besides that, I don't care about that. I'm a, I'm a  
13 being that has awareness, that experienced good things,  
14 bad things. We all want to experience the good. We  
15 want fulfillment. We want joy, happiness. We all do.  
16 There's something wrong with a being that does not want  
17 that. So I've always tried to understand what it is  
18 that could ensure that you could have it forever. Why  
19 do we have to die? Why is there the problems that  
20 there are with and between people? So I've always  
21 wanted to find a way out of all of this, so my whole  
22 life has been one of looking for the truth of my own  
23 awareness, my own being and direction and trying to  
24 help -- once obtaining as much as I can, always looking  
25 for more, trying to help others see the same thing if  
they have an honesty of heart.

1 JIM: Well --

2 STEVE: But, you know, and --

3 JIM: I know, Steve. You and -- in fact,  
4 Henry and I talked about this this morning before he  
5 left and you and David have impressed both of us with  
6 your, your knowledge and --

7 STEVE: Well, you know --

8 JIM: And I --

9 STEVE: But if the knowledge is only air, if  
10 it's only words in the air by a little cultic group  
11 that's weird and, you know, you listen with one ear and  
12 pass it off with the other, I mean so what. You know,  
13 I don't want to -- I want to try to be honest with you.  
14 I don't want to play any games with you.

15 JIM: Well, you have been honest.

16 STEVE: You're right, I have been, but I'll  
17 be -- you know, I don't know -- you know, I've seen so  
18 many men like Gonzalez come in and listen and I -- to  
19 tell you the truth, I was -- right from the beginning I  
20 thought that he was just -- I didn't think he was  
21 honest, but I hoped that there might be something in  
22 him where he could be.

23 JIM: Well --

24 STEVE: I really did. But, I mean, not to  
25 even say that there isn't. Maybe, maybe he is somewhat  
convicted but, like I told you, I hold nothing against

1 the man. In fact, I still like the guy. I really do.

2 JIM: Well, I can see how that bothers you,  
3 you know, the deception, and I can appreciate that.

4 STEVE: Well, no, it -- that part doesn't  
5 because, you know, I can understand that there are  
6 times that if there's something that seems volatile or  
7 there's a dangerous situation. No, that's why I say,  
8 that's not, that's not a problem.

9 JIM: Yeah.

10 STEVE: But what was a problem -- if you've  
11 been listening to the news, I'm glad there's Americans  
12 that have good minds, that are raising questions, basic  
13 questions, of human freedom and realities with the  
14 Constitution like why you guys did what you did, why  
15 wasn't the sheriff who we've invited out here --  
16 they've come out on their own. They've never had harm  
17 from us.

18 JIM: Yeah.

19 STEVE: But why didn't they come and serve  
20 him with a warrant and he said he would have -- but now  
21 you -- there is no question. If you were on the  
22 grounds or in an airplane watching, you will know for a  
23 fact you guys start firing on us.

24 JIM: Well, that needs to come out. You need  
25 --

STEVE: Yeah. What about Weaver? What's

1 | happening with the Weaver trial? Let me see how you  
2 | guys do and what kind of freedom and access he has to  
3 | defend himself of that case.

4 |           JIM: Okay. But, Steve, let's talk about  
5 | Weaver. He walked out of there safely, right?

6 |           STEVE: Well, what -- how come his wife got  
7 | killed? What about -- wasn't it the boy and --

8 |           JIM: That was a tragedy.

9 |           STEVE: Yeah. Well, why did you guys do  
10 | that?

11 |           JIM: Well, a U.S. Marshal was killed, wasn't  
12 | he?

13 |           STEVE: Yeah. I heard that they shot his --  
14 | the dog first and the kid. Anyway, it sounds from all  
15 | --

16 |           JIM: I agree with you. I mean, it was  
17 | tragedy on both sides. It was terrible and I --

18 |           STEVE: I don't -- I just wonder about BATF.  
19 | I've heard not that many good things about it. I just  
20 | know that --

21 |           JIM: I understand.

22 |           STEVE: Huh?

23 |           JIM: I understand. I've heard -- I know.  
24 | I'm familiar with --

25 |           STEVE: But at the same time I know there's  
good people in every organization in everything. I

1 | mean, the same with religion. There's more bad people  
2 | in religion than there are good and I could even be  
3 | one. I mean, you know. So it's not that it's just one  
4 | organization or one agency or anything else.

5 |           JIM: Right. I mean, there's good people in  
6 | an organization and there's bad people. I agree with  
7 | --

8 |           STEVE: But obviously, you know, after  
9 | hearing all this, you know, one becomes very concerned.  
10 | Here we go with the same old stories we've seen and  
11 | heard all the time and the truth always gets buried.  
12 | Does one really get an opportunity to speak out and to  
13 | try to defend themselves?

14 |           JIM: You know --

15 |           STEVE: I've seen -- I don't know if you  
16 | have, but I've seen in a court of law many times judges  
17 | cut off someone that was trying to speak to bring out  
18 | information.

19 |           JIM: I don't disagree with you. I don't  
20 | disagree with you, but I've also seen the other side  
21 | where judges --

22 |           STEVE: Rare and few between.

23 |           JIM: -- force the truth. Well, they'll  
24 | force the truth and they want the truth. I think your  
25 | side needs to be heard and --

          STEVE: Oh, it will be heard but, you know, I

1 | believe that it will be heard the way God has said. I  
2 | mean, hopefully it can be heard, you know, the way I  
3 | would like also, the way you're speaking about, but  
4 | whether you believe it or not, I believe that the whole  
5 | world will get to see and hear the issues that have  
6 | begun here, that have come by that tape.

7 |           JIM: Right.

8 |           STEVE: If we had an open access which you  
9 | guys cut off on us to, you know, the press, we'd be  
10 | speaking about these issues of the Bible and, and  
11 | bringing up the issues that many ministers have tried  
12 | to close off for years like -- I've been -- I was a  
13 | Seventh Day Adventist for a lot of years and my mother  
14 | first was a Catholic. That was her background. My dad  
15 | was a Lutheran. My dad became an Adventist. My mother  
16 | then became and it was quite a process before she came.  
17 | She took my dad to a meeting where a priest was leading  
18 | out. My dad was asking so many questions the priest  
19 | couldn't answer. That started raising questions in her  
20 | own head about her religion, Catholicism.

21 |           JIM: Yeah.

22 |           STEVE: So -- but in the process one day -- I  
23 | mean, I'm raised as an Adventist, but then in high  
24 | school I got away from it. I wanted to try worldly  
25 | things.

          JIM: Well, Steve, you know, I just want to

1 | tell you this. I really appreciate all the time you  
2 | spent with me in the last few days and you've been  
3 | straight and I -- and through this hard time -- you  
4 | know, it's been a hard time for all of us -- you have  
5 | been straight and I just want to tell you that I  
6 | appreciate that. I really do. I really do. I mean,  
7 | you always, you know, come out and tell me like it is  
8 | and --

9 |           STEVE: But I just wanted to make a point,  
10 | though, because you see it in all things in life and  
11 | that is once become an Adventist, then because I saw  
12 | more truth with that religion than any other because I  
13 | sat down and compared Buddhism, Hinduism, Shintoism,  
14 | Zoroastrianism. All these world religions I studied  
15 | them, compared all the denominations, their challenges,  
16 | their statements, back and forth, back and forth, and  
17 | the one that held the most clarity and it would seem  
18 | substance, had the strongest, strongest foundation was  
19 | the Seventh Day Adventism, but then once joining that  
20 | church and seeing the corruption in it, as any other,  
21 | and that really they were doing nothing with the little  
22 | bit of truth they had, one day someone starts showing  
23 | me a little more. Well, it raised questions in my  
24 | mind. I took it back to the church. That church  
25 | immediately shut me off from speaking to the people I  
   | was part of. I had given tithes, offerings, thousands

1 of dollars. I'd spent \$60,000 on education.

2 JIM: I always wonder what some of those  
3 churches do with that money, don't you?

4 STEVE: Well, yeah. We'll, I'll tell -- like  
5 the -- all these churches are worth billions of  
6 dollars.

7 JIM: They buy a bunch of gold statues and  
8 --

9 STEVE: Well, that's some of them. You know,  
10 like the Eastern Orthodox, Catholicism, they're into  
11 the ornate and all the rest and beautiful furnishings  
12 where say somebody like the -- some of the Protestants,  
13 the Adventists, for instance, which I was part of, have  
14 billions of dollars from tithes and offerings that they  
15 put into money orders, into the stock market and so  
16 forth and --

17 JIM: I'll tell you, there's some, there's  
18 some people controlling that stock market.

19 STEVE: Well, I don't know a whole lot. I  
20 mean, I've read a lot of books about it, but at the  
21 same time, you know, I'm --

22 JIM: You don't think that's kosher, do you?  
23 I mean, you don't think that's right?

24 STEVE: Well, of course, it isn't. Of  
25 course, it isn't.

JIM: I mean, there's --

1                   STEVE: Anyway.

2                   JIM: That's manipulated.

3                   STEVE: See, what I was saying, though, is  
4 how I finally got involved in such a thing as this was  
5 I was actually removed from the Seventh Day Adventist  
6 church because of raising questions they could not  
7 answer. Even when they kicked me out, the very day  
8 they did, I stood at their pulpit and I says, "Why are  
9 you kicking me out?" I says, "All I wanted to do was  
10 raise questions about some of these scriptures you do  
11 not know anything about or, if you do, show me or tell  
12 me." They removed me, not because I was an adulterer,  
13 because I smoke or drink because I didn't do things  
14 anyway or because I didn't go to church or whatever  
15 else because there were people in that church that did  
16 do all the things that were against their varied views  
17 and their laws and so forth. But Satan is not -- isn't  
18 bothered by anybody, what they do, unless you raise  
19 issues to do with something that is true, the realities  
20 of God. So ultimately my wife and I and many others  
21 were removed, about almost -- about somewhere around 20  
22 of us from one church alone, about 20 from one church  
23 alone.

24                   JIM: Is that right?

25                   STEVE: Yes. All because of raising  
questions that were in the Bible which they could not

1 answer. So from that day to this the ones that have  
2 given us more hard times than everybody, not the  
3 government, mind you -- Jim, it's not been the  
4 government. It's been religious ministers with  
5 doctorate degrees, Ph.D.s, D.D.s.

6 JIM: Well, do you think they -- those --  
7 some of those people provide this wrong information to  
8 the government?

9 STEVE: I don't know. I know that Marc  
10 Breault has. I know that he's been an adversary since  
11 he left, about six months after he left.

12 JIM: You know, I --

13 STEVE: I'm sure the rest because they  
14 couldn't contend with David in places like London.

15 JIM: Right.

16 STEVE: When they can't do it -- here's what  
17 -- well, let me give you an example real quick. I met  
18 a -- when I was removed from that church in Hawaii,  
19 temporarily I stayed with a friend, Paul Fatta, my wife  
20 and I, and he had another roommate and we were staying  
21 there because we were getting rid of our place, and in  
22 the process we'd raise every day the issues because he  
23 was a member of the same church, this man by the name  
24 of Bob Garcia. And the guy couldn't contend with the  
25 information we had. It was just too overwhelming what  
we had gotten from David. So in the process then he

1 kind of stayed away from us because he just knew he  
2 couldn't handle it and he knew that we had things that  
3 were right. So months and months went by and guess  
4 what -- about a year goes by and then that shootout  
5 happens in Texas. Well, then he had a reason why he  
6 never joined us or became part. He says, "Well, look  
7 at what this guy finally went and did. He was involved  
8 in some shootout and so forth. That's why I never came  
9 in because I could tell that ahead of time."

10 JIM: Well, then they are judging you when  
11 they don't even know the facts.

12 STEVE: Oh, no. I mean, he couldn't do it  
13 by the Bible is what I'm saying, so he waits and an  
14 issue comes about later of something he reads not  
15 knowing what it was about. But the whole thing is from  
16 the Bible he could not contend with what we had, but at  
17 the same time when he brought that up, what happened, I  
18 says, "Well, look at Luke 22, verse 36 through 8, when  
19 Christ told his own disciples to take swords with  
20 them."

21 JIM: Wait. Hold on, Steve.

22 STEVE: Sure.

23 JIM TO UNIDENTIFIED PERSON: What did you  
24 say? Okay.

25 JIM: All right. He wants me.

STEVE: Pardon?

1 JIM: All right. I'm sorry. They're calling  
2 me for -- hold on.

3 JIM TO UNIDENTIFIED PERSON: I was talking to  
4 Steve. Okay.

5 JIM: Hey?

6 STEVE: Yeah.

7 JIM: Can I call you in a little while?

8 STEVE: Sure. Call me back.

9 JIM: Okay. And I'm working on two things.  
10 Okay?

11 STEVE: Okay.

12 JIM: One is a phone.

13 STEVE: All right.

14 JIM: And the other is those dogs.

15 STEVE: Will it be bugged?

16 JIM: No, it's not going to be bugged. And  
17 those dogs.

18 STEVE: Yeah. Okay.

19 JIM: Okay? Because --

20 STEVE: Jim, you're really telling me that  
21 the phone that we would get from you would not be  
22 bugged?

23 JIM: Hey, if you think it's bugged, treat it  
24 that way.

25 STEVE: I mean, can you tell me for a fact  
ahead of time, though, that it won't be? I want you to

1 tell me that and then I won't even have a problem.

2 JIM: I'm not fixing the phone.

3 STEVE: Okay. But I want you to -- you're  
4 the negotiator now.

5 JIM: Right.

6 STEVE: All the world -- I mean, all the  
7 press world, everybody, it all comes down to you  
8 talking to me.

9 JIM: Right. Right.

10 STEVE: Whatever you tell me, I'm going to  
11 take.

12 JIM: Right.

13 STEVE: And there are ways for --

14 JIM: Well, I'll tell you what --

15 STEVE: -- us, of course, to get messages out  
16 to the world anyway.

17 JIM: I know that.

18 STEVE: We're just waiting to give you guys  
19 an opportunity to show your honesty and so forth --

20 JIM: We're not going to bug the phone.

21 STEVE: -- and you've done well so far.

22 JIM: Yeah. Well, we won't bug it.

23 STEVE: Okay. All right.

24 JIM: I can't. I mean, I'm not going to even  
25 see it probably, so --

STEVE: Right, but I want your word in behalf

1 of all the agents.

2 JIM: Okay. You got it.

3 STEVE: Okay, good.

4 JIM: And if you feel differently, don't use  
5 it.

6 STEVE: No, no, because I -- when I tell you  
7 -- the only reason why we're receiving it, accepting  
8 it, is because we want to -- this phone here, your  
9 agencies keep on saying that we -- you take our calls  
10 but you'll call us. A lot of times the phone rings and  
11 we don't answer it. That's not -- any time it's ever  
12 rung we've picked it up at least within about three,  
13 four rings.

14 JIM: No. We know that, Steve. We know  
15 that.

16 STEVE: Well, why -- whatever -- whoever the  
17 guy is, I think it's Jamar or whatever the guy's name  
18 is, get it straight. I mean, I don't -- that's bad,  
19 those little things like that because there's no truth  
20 to it.

21 JIM: Yeah, right and I'll pass that on.  
22 And, listen, if we were trying to send you some bugged  
23 phone, you know, we'd have sent it in the first day and  
24 tried to force it on you. You guys asked us for a  
25 phone --

STEVE: I know. That's what I'm saying.

1 JIM: -- for a week. I mean, we're not  
2 trying to trick you.

3 STEVE: No, no, of course not. That's what  
4 I'm, that's what I'm agreeing with you.

5 JIM: Right. We'll take care of that. I'll  
6 check on it. The other thing is let me square away  
7 the, the thing with the dead dogs.

8 STEVE: Okay, and then get back to me.

9 JIM: Yeah, and don't let those guys walk out  
10 because I don't want to, you know.

11 STEVE: No. I'll tell them.

12 JIM: I mean, we want to tell them -- tell  
13 those armored cars that he's going to come out and do  
14 that, you know.

15 STEVE: Right. No, I'll tell him not to.

16 JIM: Okay, Steve.

17 STEVE: I'll tell him not to.

18 JIM: Hey, I'll talk to you in a little  
19 while.

20 STEVE: Okay. Thanks, Jim.

21 JIM: Okay, Steve.

22 STEVE: Okay, bye.

23 (End of Tape 40.)

TAPE #41

22

3/4/93

12:30 P.M. - 3:15 P.M.

23

24

25

1 UNIDENTIFIED MALE SPEAKER: It rang, but I  
2 can't hear you.

3 JIM: Hey, hey, you there?

4 UNIDENTIFIED MALE SPEAKER: Yeah, now I can  
5 hear you, yeah.

6 JIM: All right, just a minute.

7 UNIDENTIFIED MALE SPEAKER: Okay.

8 JIM: Stand by.

9 UNIDENTIFIED MALE SPEAKER: I get a lot of --  
10 Oh, there you go, you got it cleared up now. I was  
11 going to say, we had a lot of feedback.

12 JIM: Okay. Let it run a second here.

13 \* \* \* \*

14 JIM: It's ringing.

15 OPERATOR RECORDING: If you'd like to make a  
16 call, please hang up and try again.

17 JIM: Hello? Hello?

18 RACHEL: Hello?

19 JIM: Rachel?

20 RACHEL: Yes.

21 JIM: This is Jim.

22 RACHEL: Hi.

23 JIM: How you doing?

24 RACHEL: All right.

25 JIM: Is David there?

RACHEL: He's sleeping.

1 JIM: Oh, is he? Okay. I really do need to  
2 talk to him.

3 RACHEL: Well, I hate to wake him. It took a  
4 lot of energy out of him earlier to try to go to the  
5 bathroom.

6 JIM: Yeah. This is really kind of some  
7 important stuff I got, though, and I really need to  
8 talk to him.

9 RACHEL: Can you talk to Steve?

10 JIM: I'd rather talk to David, because I, I  
11 can't, you know, Steve's gonna have to run it by him  
12 anyway, and I'd rather talk to David if, if you don't  
13 mind. I wouldn't ask you if it wasn't important. I  
14 know he's tired.

15 RACHEL: David. David. Jim wants to talk to  
16 you, says it's really important. He says stop and talk  
17 to Steve for a minute, he kind of nodded his head, he's  
18 --

19 JIM: Okay. Well, look --

20 RACHEL: I'll let you talk to Steve first, I  
21 guess.

22 JIM: Hey, just, you talk to me for just a  
23 minute while he's getting up, okay?

24 RACHEL: Okay.

25 JIM: Let me tell you another issue you had  
asked about earlier. Cyrus and his grandmother?

1 RACHEL: Um-hum.

2 JIM: We contacted the Child Services about  
3 that.

4 RACHEL: Um-hum.

5 JIM: And they said that what, what they're  
6 doing there is that all the kids are being kept  
7 together.

8 RACHEL: Um-hum.

9 JIM: For their own security and comfort, you  
10 know, until everybody walks out.

11 RACHEL: Um-hum.

12 JIM: They said that it's their policy to  
13 turn over the children, you know, to relatives, in  
14 those cases where parents are not available.

15 RACHEL: Um-hum.

16 JIM: But what they said, Rachel, was that  
17 since they don't know which parents, you know, will be  
18 immediately released and which ones will not, you know,  
19 they're just going to hold all of the children until  
20 everyone walks out. And we asked them about the  
21 grandmother, and they said, you know, they didn't see  
22 any difficulty with that. That would be their normal  
23 policy anyway.

24 RACHEL: Um-hum.

25 JIM: And, you know, they were real positive  
about it.

1 RACHEL: Okay, that's good.

2 JIM: And, you know --

3 RACHEL: They're just going to keep them  
4 there at their, at their -- they don't keep them at the  
5 social workers' office, do they?

6 JIM: I didn't hear you, I'm sorry.

7 RACHEL: So they just have a place, I guess  
8 them keep them, huh?

9 JIM: I didn't, I can't --

10 RACHEL: Is it a foster home or --

11 JIM: Move, move your phone a little, I'm --  
12 foster home, you say?

13 RACHEL: You said that they're keeping them  
14 together. Is that at a foster home or something?

15 JIM: Oh. I'm not sure where.

16 RACHEL: Oh, okay.

17 JIM: I think it's still at Child Protective  
18 Services, where they have the, you know, the ladies  
19 that take care of them.

20 RACHEL: Yeah.

21 JIM: I mean, I don't think they've gotten  
22 foster homes.

23 RACHEL: Yeah.

24 JIM: I think they're looking short-term  
25 here. Because what they're expecting is, you know,  
you're, you're going to come out and some of the

1 parents are going to initially be, you know, held as a  
2 material witness but you might be released almost  
3 immediately, and then they're going to give your kids  
4 back.

5 RACHEL: So they just --

6 JIM: They don't want to ship them out and  
7 then you come out.

8 RACHEL: Right.

9 JIM: You know, keep them together. That's  
10 the, that's the tract on it.

11 RACHEL: Um-hum.

12 JIM: So I just wanted you to know, like  
13 they're all together, and they --

14 RACHEL: Okay, that's good.

15 JIM: I think that's good for them, don't  
16 you?

17 RACHEL: Yes, definitely, that's good.

18 JIM: I mean that they see each other, they  
19 know each other, you know.

20 RACHEL: Um-hum. Yeah, that's great.

21 JIM: Yeah. If I could take a -- if I can  
22 get over to see them, I'll do it for you.

23 RACHEL: Okay.

24 JIM: Okay?

25 RACHEL: All right.

JIM: Let's see. What else did I have to

1 tell you? Oh, I was trying to arrange on the phone,  
2 and that's what I need to talk to David about, and a  
3 couple other things. Is he up yet?

4 RACHEL: Let me look. He, he's really out of  
5 it, I tell you, his mouth has dropped open here.

6 JIM: Really? He's not sick, is he?

7 RACHEL: David. David. Ready to talk to  
8 him? (Unidentified voices in background not  
9 discernible.) He said yeah.

10 JIM: Okay, thanks. Hey, let me know if you  
11 want to send Cyrus. Rachel?

12 RACHEL: What did you say, Jim?

13 JIM: I said, let me know if you want to send  
14 Cyrus out.

15 RACHEL: Oh, yeah.

16 JIM: 'Cause see, his grandma's in town here.

17 RACHEL: Uh-huh.

18 JIM: And I'm sure she'll get to see him and,  
19 you know, she's already been down there.

20 RACHEL: I'm not sure where Steve is. He  
21 doesn't seem too ready, he's, he's kind of half awake,  
22 half asleep.

23 JIM: Who, David?

24 RACHEL: Yeah.

25 JIM: Okay. Well, I really need to talk to  
him, it is important.

1 RACHEL: He said yeah, and then he goes,  
2 where's Steve, so.

3 JIM: Yeah. Okay.

4 RACHEL: He's, I guess he's pretty exhausted.

5 JIM: Yeah. Okay. Well --

6 RACHEL: Okay. Well, I, I -- you want to  
7 talk to Steve then, for a little bit?

8 JIM: No, I can't get David? Well, look, if  
9 --

10 RACHEL: Well, he's kind of -- you know, he's  
11 kind of waking up slowly.

12 JIM: I'd -- he's kind of waking up? Okay,  
13 you just talk to me for a minute.

14 RACHEL: Okay. He's stirring a little bit  
15 over there.

16 JIM: Is anything going on out front?

17 RACHEL: I haven't seen anything.

18 JIM: Okay. I can't see over there, I'm just  
19 --

20 RACHEL: I looked out a few minutes ago, but  
21 I haven't, I haven't seen anything.

22 JIM: Okay. Okay. So it was pretty quiet,  
23 as far as --

24 RACHEL: I don't know if someone else may  
25 have seen anything, I don't know.

JIM: Okay.

1 RACHEL: It looks like he's kind of  
2 rejuvenated a little bit over there.

3 JIM: Yeah, he got a little --

4 RACHEL: He's getting a drink or something.

5 JIM: Yeah. He got a little rest, he's --

6 RACHEL: I think it was, it took a lot of  
7 energy out of him to get up.

8 JIM: Did he have a --

9 RACHEL: (Indiscernible) get up, to sit up,  
10 you know, earlier.

11 JIM: Was he able to go to the bathroom?

12 RACHEL: I think he did a little bit, but.

13 JIM: Was there any blood or anything?

14 RACHEL: He didn't mention it.

15 JIM: Well, you might check with him.

16 RACHEL: Okay --

17 JIM: Let's make sure it wasn't, okay?

18 RACHEL: Just a minute. He wants to know if  
19 there was any blood when you went to the bathroom.

20 UNIDENTIFIED SPEAKER: Any what?

21 RACHEL: Blood.

22 UNIDENTIFIED SPEAKER: (Indiscernible)

23 RACHEL: Yeah.

24 UNIDENTIFIED SPEAKER: (Indiscernible)

25 RACHEL: He said no, no blood.

JIM: Good.

1 RACHEL: It was altogether --

2 JIM: Good.

3 RACHEL: Okay.

4 JIM: That's, that's, you know, that's good.  
5 He's probably not bleeding in there badly. Didn't hit  
6 any intestines or --

7 RACHEL: (Indiscernible) (Unidentified  
8 child's voice in background not discernible.) Cyrus  
9 was telling me that you asked him if he had any good  
10 toys?

11 JIM: Yeah.

12 RACHEL: I said what did you say, he goes,  
13 no. I said Cyrus, I cannot believe that told him no.  
14 You have -- you know, sometimes when kids get too much,  
15 they don't appreciate it.

16 JIM: They don't have any.

17 RACHEL: He has a motorcycle, you know, a  
18 real motorcycle.

19 JIM: Yeah.

20 RACHEL: He has a bicycle. They have these,  
21 these, these big trucks that you buy at Toys R Us that  
22 have -- they play with them in the sandbox, you know.

23 JIM: Right.

24 RACHEL: And they have a sandbox. We had a  
25 swimming pool in the summer. They have these big  
trucks, like a couple dozen of them, you know, for all

1 the kids to play with. I mean, he's got blocks, he's  
2 got so many -- as a matter of fact, he had so many toys  
3 I had to pack them away, because --

4 JIM: Yeah.

5 RACHEL: You know, they have so many toys.  
6 You know how kids are.

7 JIM: Yeah.

8 RACHEL: They have so many toys that they  
9 just get bored of them after a while.

10 JIM: Yeah.

11 RACHEL: He like, he's really an outdoor  
12 child, he loves to be outside.

13 JIM: You don't have to explain that to me,  
14 Rachel, kids are all like that. My little boy's the  
15 same way. I'll say, Matthew, I'll say, you know --

16 RACHEL: Uh-huh.

17 JIM: Do you need anything, Matthew? Oh,  
18 yeah, Dad, I don't have any toys. Yeah, right, you  
19 know. That's all we do.

20 RACHEL: He, he heard me telling you, he  
21 goes, he goes Mom, I forgot about that. He's telling  
22 me that right now.

23 JIM: Hey, oh, I know what I wanted to tell  
24 you while I got you.

25 RACHEL: What?

JIM: I sent a message up to the commanders

1 on what you told me about that, two things on that  
2 press briefing, okay?

3 RACHEL: Um-hum.

4 JIM: One was about the shootout in '88.

5 RACHEL: Um-hum.

6 JIM: I corrected them on that. It was not  
7 the sheriff's department, okay?

8 UNIDENTIFIED SPEAKER: (Indiscernible)

9 JIM: Hello? Hello? It's a radio or so--

10 RACHEL: What was that?

11 JIM: It's somebody on a ham radio.

12 RACHEL: That was loud.

13 JIM: Yeah. Well, we're here at the airport,  
14 so there's a lot of, a lot of radios, you know. Hey,  
15 anyway, remember what you were telling me about where  
16 the -- remember the thing with Roden and the shootout?

17 RACHEL: Yeah.

18 JIM: And the agents, agents said it was the  
19 sheriff's department?

20 RACHEL: Yeah. Um-hum.

21 JIM: Well, I corr-- sent it up and corrected  
22 that, told them that was wrong, okay?

23 RACHEL: Um-hum.

24 JIM: And then, also, about the saying all,  
25 that all the women and children are at one place?

RACHEL: Right.

1 JIM: And we went back and looked at that  
2 tape.

3 RACHEL: Uh-huh.

4 JIM: And apparently he said, well, that was  
5 the information.

6 RACHEL: Uh-hum.

7 JIM: You know what I mean? He said that was  
8 the information that they would be at one place, but,  
9 you know. I told him, well, they were at one place,  
10 so. Anyway, cleared that up.

11 RACHEL: All right.

12 JIM: At the 3:30 -- they're going to have  
13 one at 3:30.

14 RACHEL: At 3:30?

15 JIM: And hopefully they'll -- I don't think  
16 they'll mention about the, the placement of the women  
17 and children, because they said well, we know that,  
18 we're, you know, it was intelligence.

19 RACHEL: Okay.

20 JIM: Is David up?

21 RACHEL: His eyes are closed again, but Steve  
22 is here now. So.

23 JIM: Well, I need, I got to talk to David.

24 RACHEL: Well, let me talk, let you talk to  
25 Steve first, okay?

JIM: Okay.

1 STEVE: Hello, Jim.

2 JIM: Steve.

3 STEVE: What's happening, now?

4 JIM: Well, I'm working on the --

5 STEVE: With the dog thing?

6 JIM: Yeah, that's, that's still in the  
7 telephone.

8 STEVE: Look, we're about ready to go do it  
9 anyway, so, you know, you make up your mind what you  
10 want to do about that, because we're, you know, we're  
11 not going to allow those bodies to be laying around  
12 there. You know, it's not a, it's a problem, so --

13 JIM: No, okay. It's just for your safety,  
14 it's nothing --

15 STEVE: Right, but I was annoyed, because I  
16 had a lot of the people come tell me that different  
17 parts of the night toward the morning, you had guys  
18 that were into like, one of the vehicles. Another  
19 vehicle, lights would come on, they were seeing and  
20 they watched them in and on the property and --

21 JIM: I understand.

22 STEVE: You know, you and I had come to an  
23 agreement long -- Henry --

24 JIM: Um-hum.

25 STEVE: -- brought up this thing about what  
David said what "immediate" meant and about coming out

1 and all that, but we, you and I, you and I have had  
2 problems before that even, with the telephone cord,  
3 getting a telephone five days ago, and a lot of little  
4 things like that, that no one would come on past the  
5 perimeter of the property, and yet we constantly see it  
6 happening all the time. They ran over the guard shack  
7 last night while I was watching.

8 JIM: Um-hum.

9 STEVE: Hours before that they ran over  
10 another place out by the back building. I mean, I  
11 watched them do it, they're right on our land, you know  
12 what I mean?

13 JIM: All right. I understand.

14 STEVE: Yeah, I know you understand, but I'll  
15 tell you what. I don't know.

16 JIM: Listen, Steve. As soon as I talk to  
17 David, I'll square the thing about the dogs, and you  
18 can do it. But I need to talk to him.

19 STEVE: What do you want to talk to David  
20 about? He's sleeping right now.

21 JIM: Well, well, I know but I got to talk to  
22 him. I need to. About a couple of issues that are  
23 important.

24 STEVE: Just hang on one minute, let me see.  
25 [gap] He's barely being able to talk to me. He says  
it'd take him a lot of energy right now to get on that

1 | phone and talk. And it's true, because --

2 |           JIM: I understand. Well, I can wait a  
3 | minute, but I really need to talk to him. As soon as I  
4 | do --

5 |           STEVE: For the first -- it took him a lot to  
6 | get onto the toilet.

7 |           JIM: Oh, I know.

8 |           STEVE: Believe me.

9 |           JIM: Well, I was glad to hear, Rachel told  
10 | me that he, he was able to, you know have a bowel  
11 | movement and everything was okay, no blood or anything,  
12 | so --

13 |           STEVE: Right. Right.

14 |           JIM: Can you take the phone over to him?

15 |           STEVE: I could, but he's, he just told me,  
16 | he just peeped out. He hasn't, you know, since he, he  
17 | went --

18 |           JIM: Okay, just take your time, it's not  
19 | that -- I mean, just take a few minutes, and, and --

20 |           STEVE: No, but he just told me what to do,  
21 | Jim.

22 |           JIM: What?

23 |           STEVE: You're not -- I mean, he's not even  
24 | talking to me right now. He just said to him, right  
25 | now it's taking too much -- since I went to the  
bathroom, he says, I just want to say it's taking me

1 too much energy for right now.

2 JIM: Yeah.

3 STEVE: He says, give me a little time. And  
4 that's what happened yesterday. He, you know, he  
5 talked for awhile, then he had to get a little rest,  
6 then he'd recover.

7 JIM: Okay.

8 STEVE: What's happening?

9 JIM: Well, I just -- you know, take a few  
10 minutes and I'll, I just want you to -- and I'll talk  
11 to him. I mean --

12 STEVE: You didn't hear me. I mean, it's not  
13 up to me. I mean, if you wanted to talk to me, I've  
14 got my own choice, you've got your choice, whether you  
15 want to talk to me. He just said not right now.

16 JIM: Yeah.

17 STEVE: He can't. I mean, I'm looking, I can  
18 see him from where I am, he is real weak.

19 JIM: Okay.

20 STEVE: I saw him make the attempt to, you  
21 know, go to the bathroom and all that. I'm telling you  
22 it -- well, you know yourself the guy should be,  
23 probably be dead.

24 JIM: Um-hum.

25 STEVE: To be -- hello?

JIM: Yeah, I'm still here.

1 STEVE: What's that -- what, what are you  
2 doing right now with the clicking?

3 JIM: Oh, I just bumped the phone, that's  
4 all.

5 STEVE: Oh, okay. But I mean, I'm telling  
6 you the truth --

7 JIM: Oh, I know you are, I know you are.

8 STEVE: He'll get back to you, or you, we can  
9 -- I'll keep an eye on him.

10 JIM: Okay.

11 STEVE: Okay, he's, he's trying to muster it  
12 together right now. He says, let me try and talk to  
13 him now.

14 JIM: Oh, okay.

15 STEVE: Hang on, hang on.

16 JIM: Okay. Here he comes.

17 DAVID: Hey, Jim.

18 JIM: Hey, David.

19 DAVID: Oh.

20 JIM: Hey, listen, I know you're tired,  
21 buddy, but Rachel told me you were able to go to the  
22 bathroom there.

23 DAVID: Well, what happened was -- I tell  
24 you, this is weird. It took me, I don't know, probably  
25 about, I don't know, 15, 20 minutes to make it up.

JIM: Oh, shoot, yeah.

1                   DAVID: And then, this, this bucket that I  
2 went in -- how tall is this bucket, Rach?

3                   RACHEL: About a foot.

4                   DAVID: About a foot. And I -- oh, boy,  
5 talking about a, you know --

6                   JIM: Yeah.

7                   DAVID: I used to do gymnastics, you know.

8                   JIM: Yeah.

9                   DAVID: So I was pretty strong in my arms and  
10 stuff.

11                  JIM: Yeah.

12                  DAVID: But, oh man.

13                  JIM: Well, we, I need to get you out of  
14 there.

15                  DAVID: I tell you.

16                  JIM: I need to get you to the doctor.

17                  DAVID: Look --

18                  JIM: But listen, let me tell you why I  
19 called. I got some important things. I didn't want to  
20 discuss them with Steve, okay?

21                  DAVID: Okay.

22                  JIM: And I love Steve, but I want, I want to  
23 be straight up and discuss them with you, okay?

24                  DAVID: All right.

25                  JIM: And I don't want any mixed signals,  
okay? The first thing is, the tactical teams out there

1 have recovered a body out in the ravine.

2 DAVID: Have what?

3 JIM: They found a body in the ravine.

4 DAVID: Where's the ravine?

5 JIM: Well, it's way out behind the compound,  
6 past those buildings out in the back. Be near the  
7 dairy barn.

8 DAVID: Okay.

9 JIM: You know where I'm talking about?

10 DAVID: Uh-huh.

11 JIM: Way out near the orchards out there?

12 DAVID: Uh-huh.

13 JIM: And then it was a man that was in a, a  
14 gun battle with agents Sunday, and they don't know his  
15 identity. I don't have his identity, okay?

16 DAVID: Huh.

17 JIM: And they picked him up, they picked the  
18 body up a little while ago, okay? And he had, he, the  
19 man had a gun with him, and we don't, I don't have his  
20 identity. When I get it, I will let you know, okay?

21 DAVID: Huh.

22 JIM: And, you know, I'm, I --

23 DAVID: No.

24 JIM: This is tragic news, and I'm sorry if  
25 he's one of your people. I don't know who -- his  
identity, okay.

1                   DAVID: Now this was Sunday?

2                   JIM: Yeah, he -- yeah. He's been, he was  
3 there, he's been there since Sunday.

4                   DAVID: He's not, he's not one of us.

5                   JIM: Okay, well, that's fine, I don't know  
6 who he is. You know, I -- yeah, I don't know who he  
7 is, you know. But anyway, we found him, and the  
8 airplane spotted him the other day, I guess, or --

9                   DAVID: A guy that was in there, and he had a  
10 gun.

11                  JIM: He's a man, he had a gun, he was a  
12 white male, I believe.

13                  DAVID: Uh-huh.

14                  JIM: I may be wrong about that. Anyway,  
15 I'll get you more details, okay?

16                  DAVID: Huh.

17                  JIM: Hey now, let me tell you something  
18 else. Let's see.

19                  DAVID: The only, the only, the only guys  
20 that, that we know --

21                  JIM: Maybe it was somebody trying to come  
22 in, who knows.

23                  DAVID: Huh.

24                  JIM: You know.

25                  DAVID: Couldn't, could be some people we  
don't know that --

1 JIM: Yeah, it could be. Yeah.

2 DAVID: Guess you don't know about the  
3 messengers, but not -- no, they wouldn't have brought  
4 no guns, I mean, no.

5 JIM: Yeah. Well, listen, here's one thing.  
6 This is a reason I'm calling also. Because we're  
7 talking about, Steve wants to go out and bury the dogs,  
8 okay?

9 DAVID: Oh, we got to get rid of -- the dogs  
10 are, they're, they're smelling --

11 JIM: I know, okay, so Steve wants to move  
12 them, right?

13 DAVID: Just pull them out, yeah, away from  
14 the building, yeah.

15 DAVID: Okay, so I've talked to the tactical  
16 teams, and here's the deal, and I want you and I to be  
17 clear on this, 'cause I don't want any --

18 DAVID: Oh, but I -- yeah, did -- see, that's  
19 another thing that we was telling to Henry last night,  
20 is that, you know, these guys out here that think  
21 they're sneaking around, you know, don't realize that,  
22 you know, they, they think they've got their snipers  
23 and all that and their, their, their infrared and  
24 everything, you know.

25 JIM: Um-hum.

DAVID: You know, you know, an infrared unit

1 | only costs 750 bucks.

2 | JIM: Well, you got them too, right?

3 | DAVID: And a starlight scope, you know,  
4 | costs up to 45 to 7,000, you know?

5 | JIM: Right.

6 | DAVID: Specificity, PVS 4, you know.

7 | JIM: Um-hum.

8 | DAVID: You know, the good ones, the  
9 | government spec.

10 | JIM: Right.

11 | DAVID: You know, I, I'm trying to tell you  
12 | something.

13 | JIM: I know you got them, David.

14 | DAVID: And the thing of it is, is that, you  
15 | know --

16 | JIM: Yeah.

17 | DAVID: You know, these guys, these guys  
18 | don't need to keep pushing and pushing, I mean, you  
19 | know, it's, it's, kind of cheeky when a guy thinks  
20 | he's, or some guys think they're sneaking up and stuff  
21 | like that, and they end up getting a bullet in their  
22 | butt.

23 | JIM: Um-hum.

24 | DAVID: You know, it's not necessary. Of  
25 | course, I told the guys last time, I said, just, you  
know, they're out there in the front car snooping

1 around, you know.

2 JIM: Um-hum.

3 DAVID: It's, it's just not worth it right  
4 now, you know?

5 JIM: Yeah, I agree with you. And --

6 DAVID: And, and as far -- now, another thing  
7 is as far as -- like when they ran over that blue shed,  
8 you know, there's thing, there's possessions in that  
9 shed that do not belong to people on this property.

10 JIM: Um-hum.

11 DAVID: They belong to people outside this  
12 property.

13 JIM: Right, I understand.

14 DAVID: You know, there's a lot of people out  
15 there that have come to visit and have, you know,  
16 learned a few things and you know, they're still like,  
17 you know, in the decision of whether or not -- that's  
18 interesting, but they still carry on their normal,  
19 every-day lives. They're not, have not committed  
20 themselves to actually full-time religion, so to speak.

21 JIM: Well, David, let me run a couple things  
22 by you first, okay?

23 DAVID: Oh, okay.

24 JIM: The tactical people are reporting to me  
25 that, that they think they see something with a scope,  
maybe a rifle. I, you know, they're not saying it is a

1 rifle, but they think they see something with a scope  
2 in one of the front windows near the front door, okay.  
3 And, you know, they're just, they're just advising, you  
4 know, that -- they, they want to make sure that  
5 everyone in there knows the rules for your safety,  
6 okay?

7           DAVID: Yeah, well the thing of it is, is  
8 that be sure to advise them that whereas they have lots  
9 of scopes zoomed in on us, especially when they're  
10 projecting possibly as -- well, I don't if they've got  
11 actually azimuth on their, on their, on their little  
12 guns, their .25 millimeter gun they're pointing at us  
13 all the time. You know, remember, you know, remember  
14 whereas, whereas they have certain military tactical  
15 abilities to zero in and scope in on certain  
16 objectives, you know, likewise we have that same  
17 ability.

18           JIM: Right.

19           DAVID: And, you know, when it, when it comes  
20 down to, when it comes down to triggering in, it comes  
21 down to triggering in. Now, now you all promised you  
22 all were, you all were going to cease fire.

23           JIM: Right.

24           DAVID: Okay.

25           JIM: We have.

          DAVID: And so we have too.

1 JIM: Right.

2 DAVID: Whereas you have lied on your part,  
3 in that you have not been honest in regards to keeping  
4 your men off our property. I mean, you know, some --  
5 if, if you think some of your men are, are, are, you  
6 know, not vulnerable to, to, to flying, flying lead,  
7 you know --

8 JIM: Oh, I know that.

9 DAVID: -- then -- Well, that's, that's  
10 what's going on here. But like I say, you know, I  
11 also, I also realize that, you know -- I, I can't  
12 expect, you know, honesty a hundred percent from your  
13 side, because like I say, you're a negotiator, you  
14 know.

15 JIM: Well, David, you, you know --

16 DAVID: And you do not, you do not honor my  
17 God and you don't understand what's going on, and you  
18 don't understand what authority I'm under, you know,  
19 whereas I do understand what authority you're under.

20 JIM: Um-hum.

21 DAVID: You know, you're allowed to  
22 philosophically, sociologically, analytically,  
23 politically say any and all things rationally,  
24 irrationally, to, you know, achieve what you and the  
25 system that backs you designs to achieve. Whereas, I  
have to --

1 JIM: I'm just trying to achieve your safety,  
2 is all I'm trying to achieve.

3 DAVID: -- tell you -- exactly. And I'm  
4 trying to ensure your safety.

5 JIM: Um-hum.

6 DAVID: You know.

7 JIM: Um-hum.

8 DAVID: But you just do not fear God. And  
9 you do not give glory to Him.

10 JIM: David --

11 DAVID: And you do not believe in the hour of  
12 His judgement. You, you fail to avail yourself of the  
13 knowledge --

14 JIM: What did you say? Wait, don't, don't  
15 do that, no. Wait a minute. I'm talking to David.  
16 Hey, David?

17 DAVID: -- of the knowledge --

18 JIM: Listen, let me, let me, let me run this  
19 by you.

20 DAVID: -- of his seals, you see?

21 JIM: Okay, go ahead.

22 DAVID: So, so, so by, by, by denying  
23 yourself an opportunity to hear any and all ones that  
24 God has chosen to teach you God's word, I mean his  
25 seal, by, by procrastinating and being a part of a  
political system that says, "In God We Trust," --

1 JIM: Um-hum.

2 DAVID: -- and yet denying the God who has  
3 seven seals of which when there's time no longer, you  
4 are actually fostering politically a religious reality  
5 that is a lie unto God. A nation that, that, that  
6 shadows and covers religious observation which, in  
7 itself, denies the very reason for the new covenant:  
8 the revelation of the seven seals.

9 JIM: Um-hum.

10 DAVID: So that's why the Bible calls this  
11 kind of system a whore or a harlot. I mean, she, she  
12 professes affection and association to Christ, but the  
13 thing of it is, is that she claims to be one with  
14 Christ, but yet she doesn't even really totally know  
15 the man.

16 JIM: Um-hum.

17 DAVID: And that's where the seals become a  
18 means of judgement for the last phase. And so go  
19 ahead, what were you gonna say, Jim?

20 JIM: Well David, thanks. Listen, just give  
21 me a minute, because my, my commanders are wanting me  
22 to tell you this, and what they're saying is, these are  
23 the rules for your safety, okay, and I want you to know  
24 them. They're just telling me no one will be allowed  
25 to exit the building, okay, with a weapon. And that's  
important. Now, I told --

1               DAVID: Oh, we, we, we knew that.

2               JIM: I, I told him, I told him you already  
3 know that. I told him you already know that. But they  
4 wanted me to ensure that I told you. I said, I've  
5 already told David that. Just telling you that for  
6 your own protection. They said if any of the agents  
7 out there, you know, perceive that their lives or the  
8 life of someone else is at risk, that they'll take  
9 appropriate action to ensure their own safety.

10              DAVID: Okay, so in other words --

11              JIM: And I said David knows that, you know  
12 -- wait, let, you just give me a minute, and then, and  
13 then we'll discuss it.

14              DAVID: All right.

15              JIM: And they said that no one will be  
16 allowed to aim a weapon from a window, as this may be  
17 also perceived by our agents as a threat to their lives  
18 or safety.

19              JIM: Well, yet they're allowed to aim them  
20 at us, right?

21              JIM: Well, okay, let me get through -- and  
22 compel them to act accordingly, that's what they say.

23              DAVID: Okay.

24              JIM: That any time you exit the building and  
25 are approaching our agent, you must fully comply with  
any verbal instructions to avoid exposing yourself to

1 any potential risk, okay? So what they're saying is,  
2 don't come outside with any guns, don't point any guns  
3 out the windows, and if you walk out and they tell you  
4 to, you know, put your hands up or down or something,  
5 you just do it. Now, I told them you already knew  
6 that, but they said, well, we want to make sure that,  
7 you know, everybody does it.

8 DAVID: So they're that close to do that,  
9 huh?

10 JIM: Well, you know, in those, in those  
11 vehicles out there, you know.

12 DAVID: Yeah.

13 JIM: Listen now, let -- I got to --

14 DAVID: So see, so see, all last night, you  
15 know, we're telling Henry this and Henry's denying it  
16 up and down.

17 JIM: Yeah.

18 DAVID: You know, and the thing of it is, you  
19 know, on one hand, you all are saying we have  
20 explosives here --

21 JIM: Yeah.

22 DAVID: -- which you know could turn one of  
23 those vehicles up 40 or 50 feet in the air.

24 JIM: Well, we, we realize that.

25 DAVID: Okay, if you realize that, you know,  
and then you're talking all this, this, out of the, you

1 know, side of the mouth, you're just basically lying  
2 and all that, I mean --

3 JIM: No, no --

4 DAVID: -- what happens when, when this all  
5 gets heated and you get somebody mad and, and these  
6 cars go flying, you know, 40, 50 feet in the air out  
7 towards the lake.

8 JIM: Yeah.

9 DAVID: I mean, then you guys are going to  
10 get mad, you know. Okay, you all been preparing eight  
11 months for this.

12 JIM: Uh-hum.

13 DAVID: How long do you think we've been  
14 preparing?

15 JIM: Um-hum. I understand. Well, we,  
16 they're just trying to set up safely. They're not  
17 coming in or anything.

18 DAVID: Hey, but you lied to me, my friend.

19 JIM: When did I lie? We, we never lied.

20 DAVID: You lied to me.

21 JIM: About what?

22 DAVID: You lied, and you have consistently  
23 lied.

24 JIM: David, we told you everything we were  
25 doing, every single thing we were doing.

DAVID: No. So, you know, it's been in my

1 | behalf and in my good favor that these gentlemen that  
2 | have tried to, or thought they were sneaking in on the  
3 | property --

4 |           JIM: Um-hum.

5 |           DAVID: -- you know, they --

6 |           JIM: Well, let --

7 |           DAVID: -- they, occupying these, these  
8 | really poor, poor shelters of automobiles and, you  
9 | know, things like that, the van and everything.

10 |           JIM: Um-hum.

11 |           DAVID: You know, it's a shame that --

12 |           JIM: I think you're giving us more credit  
13 | than we deserve, I don't, I don't think they're, any of  
14 | them been that close to you, really.

15 |           DAVID: Well, oh yeah.

16 |           JIM: I mean, they, they haven't been that  
17 | far. These guys don't want to get that close. I mean  
18 | --

19 |           DAVID: No, they're, they're close. That's  
20 | why we have this problem with getting rid of these  
21 | dogs.

22 |           JIM: Yeah.

23 |           DAVID: 'Cause --

24 |           JIM: Oh, no, no, no, that's not it. You can  
25 | go do the, you can do the dogs. I just wanted to tell  
   | you that, not to carry a gun out. You can go do the

1 | dogs if you want to.

2 |           DAVID: Okay.

3 |           JIM: Go tell Steve to do them.

4 |           DAVID: But not, you know, last night we, we  
5 | saw, we saw the guys and stuff like that, but I, I told  
6 | the people, I said look, you know, leave them alone,  
7 | you know. That, you know, the tanks came around and  
8 | went up, you know, behind our building here and started  
9 | sinking in the mud, that was pretty funny to watch. So  
10 | they had to move their position.

11 |           JIM: Yeah.

12 |           DAVID: And there's, there's certain parts of  
13 | the property here that --

14 |           JIM: I understand. Well, that was a good  
15 | thing to tell them. I, what I would tell Steve is just  
16 | go do the dogs before dark, and slowly walk out. You  
17 | just have their hands in clear sight and don't worry  
18 | about it. Go ahead and do it. You know, I think, you  
19 | got to admit, David, that there could be some of the  
20 | guys in there, and you and I both discussed it, that  
21 | are somewhat apprehensive.

22 |           DAVID: Oh, definitely.

23 |           JIM: And, you know, I --

24 |           DAVID: Especially when they can see what's  
25 | going on.

          JIM: Yeah. We, you know, we don't have

1 ninjas out there, I mean, they can't get right up to  
2 you, you know, it's --

3 DAVID: Well, they get, they get pretty  
4 close.

5 JIM: Yeah. Well --

6 DAVID: And, and these guys that are putting  
7 all these branches in their head and so on, that don't  
8 work, you know. It doesn't really work.

9 JIM: I, I understand that. Well hey, tell  
10 Steve to go ahead and do the dogs so I can tell them  
11 he's going to do it.

12 DAVID: Okay.

13 JIM: All right.

14 DAVID: Steve --

15 JIM: Wait, hold on, hold on one second.

16 DAVID: Okay. Just have the dogs pulled out  
17 towards the (Indiscernible) out in the open, okay.

18 JIM: Hey, Steve -- hey, David?

19 DAVID: Sir?

20 JIM: One second, before you tell Steve to do  
21 that.

22 DAVID: All right.

23 JIM: I got a good idea, okay?

24 DAVID: Okay.

25 JIM: You tell me if this'll work for you.  
They just told me the phone's ready. Okay?

1                   DAVID: All right.

2                   JIM: It's out there. I'll have one of those  
3 armored vehicles bring that phone -- I'm looking at a  
4 picture here, you know, up where the road curves on  
5 your property, now, up where the road curves, right  
6 behind that big bus, okay? I'll have them drop the  
7 phone there and then go back out, okay? Gonna leave it  
8 right in the middle of the road, of your dirt road.  
9 And then you, then you tell Steve, after they do that,  
10 that him and one other guy, no more than two, can go  
11 outside and they can do what they want with the dogs  
12 and they can retrieve the phone. Is that fair enough?

13                  DAVID: Okay, Steve, here's what they want to  
14 do. They want to bring a, one of the Bradleys in, and  
15 they want to come up to the, to behind the big bus.

16                  JIM: Right where it curves there.

17                  DAVID: You know, right where the, right the  
18 curve of the street is. And what happens is, they want  
19 to drop the phone off, and then they say --

20                  JIM: At the wire.

21                  DAVID: -- and they say they want to leave,  
22 they want to get out.

23                  JIM: No, they'll leave.

24                  DAVID: And --

25                  STEVE: What's wrong with where the gate,  
guard gate is, we walk up --

1 JIM: Yeah, you can watch them. We'll leave

2 --

3 DAVID: Well, here, Steve has a question real  
4 quick.

5 JIM: Okay.

6 STEVE: Jim.

7 JIM: Steve.

8 STEVE: Yeah, what's wrong with that, we've  
9 always walked up to the guard gate and come back again,  
10 that's been no problem thus far.

11 JIM: Well, I mean, you got a heavy, you got  
12 a whole lot of wire, they told me. And I, you know,  
13 that's fine. I mean, we can arrange that.

14 STEVE: Okay.

15 JIM: But I, we, we --

16 STEVE: Let's do that.

17 JIM: What we -- you, you want to walk to the  
18 guard gate?

19 STEVE: Yeah, sure. Need the exercise.

20 JIM: No? Wait a minute. Let me, I'll have  
21 to clear it.

22 STEVE: All right.

23 JIM: You, you sure they can't just drop it  
24 by the bus?

25 STEVE: What, what did you all -- I'm very  
curious to know what you all told David about these

1 | guys sneaking around at night and all, running over the  
2 | guard shacks and all that kind of thing.

3 |           JIM: You can, you can tell him, I didn't  
4 | tell him anything.

5 |           STEVE: You didn't tell him anything?

6 |           JIM: Uh-uh. I mean, I didn't, he told me.

7 |           STEVE: Can I get someone on the phone that  
8 | knows what in the, is happening here? I mean why these  
9 | guys are allowed to do that?

10 |           DAVID: (In background.) Why they're risking  
11 | their lives.

12 |           STEVE: Why are they risking their -- I'm  
13 | going to tell you something. If we, if we really  
14 | wanted to, you must know this, that's why I reminded  
15 | you this morning or earlier in the day when I got on  
16 | the phone.

17 |           JIM: Right.

18 |           STEVE: When they came there Sunday after you  
19 | guys pulled what you pulled --

20 |           JIM: Um-hum.

21 |           STEVE: We allowed them to come in and take  
22 | the wounded because we didn't want them dead in the  
23 | first place.

24 |           JIM: Right.

25 |           STEVE: We could have opened the fire on so  
many of those guys out there.

1 JIM: Um-hum.

2 STEVE: We, but we didn't start this thing.

3 JIM: Um-hum.

4 STEVE: That's, I mean, it'll be -- I don't  
5 care if it's brought out in the court of the, the land,  
6 the courts of this land or not, but one day, I mean,  
7 it'll be brought out and the world will get to see it.

8 JIM: Right, I understand.

9 STEVE: Why, I know you say you understand --

10 JIM: Well, I do. I mean, what, what do you  
11 want me to say? I'm trying --

12 STEVE: Well, I'd like to be talking to a guy  
13 that really's got some authority or that means what he  
14 says -- I mean, I know you do, but so far it doesn't  
15 seem like, you know, what you've been telling me, like  
16 what he's saying also, the same annoys me.

17 JIM: Yeah.

18 STEVE: That's why I must admit, I had a  
19 little chagrin and a smile on my face the other day  
20 when they said we didn't come out, he didn't keep his  
21 word.

22 JIM: Yeah.

23 STEVE: But you guys have got it your one way  
24 right now, because of course, we can't speak to the  
25 press but -- I don't know if we can or can't yet.

JIM: Um-hum. I understand.

1           STEVE: I mean, you know, you guys, of  
2 course, I don't -- what are you trying to hide, you  
3 know. What are you got planned, what are you up to?  
4 What are you gonna do? What have you done to people in  
5 the past? That's why I raised those questions with you  
6 about your agency earlier. I've heard -- anything I've  
7 ever heard about that agency, it's not been too good.

8           JIM: Okay. I unders-- Can I talk to David?  
9 I want him to talk about this phone thing. And then,  
10 and then the dogs, so we can get it done.

11           STEVE: He wants to talk to you about this  
12 phone thing and then the dogs. Well, you can talk to  
13 me, why -- you can talk to him, it's --

14           JIM: Okay. What we'll do, how's this sound.  
15 We'll have the --

16           STEVE: Wait, wait, just a minute.

17           DAVID: (In background) (Indiscernible) at  
18 least 150 feet of --

19           STEVE: We need at least 150 feet of line.

20           JIM: Okay, let me talk to him a minute.

21           STEVE: Okay, just a minute.

22           JIM: He says, he'll let me talk to him.

23 Okay.

24           DAVID: Okay, Jim.

25           JIM: Okay, Dave, here's what we'll do.

DAVID: Yeah.

1                   JIM: We'll, we'll take, we'll have the  
2 Bradley bring it up halfway up the drive, halfway to  
3 the bus and drop it. They'll leave. Then you send  
4 your two men out to get it, the wire, and then you do  
5 the dogs. How's that?

6                   DAVID: They, they want to bring it, they  
7 want to bring it up close, Steve.

8                   JIM: Not close, halfway to the bus, that's  
9 all.

10                  DAVID: They want to bring it halfway to the  
11 bus.

12                  STEVE: (In background.) That's, you know,  
13 they're into mind games, they're into --

14                  DAVID: You want to --

15                  JIM: We, we'd bring it all the way, but  
16 Steve said no, so I'm just telling them to bring it  
17 halfway, we'll drop it, and we'll leave.

18                  DAVID: They want -- I don't think they want  
19 to go full, full. Our guys want to go full, full with  
20 us, right?

21                  JIM: Right. They don't want to -- yeah.  
22 You don't want them to come in all the way in there.  
23 We will have, but if you --

24                  DAVID: No, no, no, no. What I'm saying is,  
25 is that, is that you want to, you want to, you want to,  
you want to, you want to go knuckles to knuckles now.

1 You want to have an all-out, right? (Unidentified male  
2 voice in background not discernible.)

3 JIM: No, no, no. We're just dropping off a  
4 phone.

5 DAVID: No, you, no you're not. What you're  
6 doing is, is you're breaking a principle. First of  
7 all, we established, when I started releasing some of  
8 these children, that you would not be on the property.  
9 You lied. You have always been lying. They've been  
10 creeping up closer and closer. Now, you, you say  
11 you've got all this sophisticated tactical weapons, you  
12 know, okay, fine. And you believe that we have  
13 somewhat also, to a smaller degree, some also tactical  
14 weapons.

15 JIM: Um-hum.

16 DAVID: Okay. So, you know, there's on the  
17 telephone individuals saying, well, let's go, let's go,  
18 let's hit it in the ring, let's go head to head, you  
19 know. Okay. So what you're doing is, you're  
20 consistently stepping an inch by inch into our  
21 perimeter and trying to gain more territory on you, at  
22 the same time acting as if you're, you're, you're still  
23 abiding by the rules. It's like a Indian contract.

24 JIM: But no, no one's taken any shots,  
25 aggressive action --

DAVID: No, we haven't, we --

1 JIM: And we haven't either.

2 DAVID: We maybe should have.

3 JIM: Well, we haven't either.

4 DAVID: We maybe should have.

5 JIM: Look, what's at the --

6 DAVID: Because you have lied, Jim.

7 JIM: David --

8 DAVID: Your organization in this United  
9 States of America is a liar. Oh, yeah, you're acting  
10 lamb-like. You're saying peace, but you are lying.  
11 But no, no, you won't let me have access to the outside  
12 world and tell what we have been observing.

13 JIM: When you come out you will

14 DAVID: No, no, no. Here's the thing. What  
15 you have been doing is, you have been proving to my God  
16 --

17 JIM: Um-hum.

18 DAVID: -- and to the people that have heard  
19 me speak plainly for seven years, that you are one who  
20 speaks as a dragon. You're saying peace with your  
21 mouth.

22 JIM: Um-hum.

23 DAVID: But your words are words of a dragon,  
24 you know.

25 JIM: Hey --

DAVID: So now here you're saying, well,

1 Dave, let's just bring the Bradley right in there next  
2 to the bus, you know, and you know, let's just drop the  
3 phone off, and so again, here we go. We see another  
4 delineation of the original purpose of our negotiation  
5 and now -- what, what do you want do to next? Next  
6 thing, you want to bring the cord and maybe drive the  
7 tank right inside the building here and hand it to us?

8 JIM: Okay, hey, hey, David. It wasn't that  
9 big an issue with us. I was just trying to save you  
10 from carrying all the wire. We'll drop it out on the  
11 driveway.

12 DAVID: It's only 150 feet.

13 JIM: Okay. Well, I haven't seen this thing.  
14 I'll have them drop it right by the guard shack, okay?

15 DAVID: Well, that, that definitely shows  
16 more realism on your part of sincerity.

17 JIM: Okay. I mean, it wasn't that big an  
18 issue. I was trying to save the guy from, I was trying  
19 to save your man from feeling like he had to be exposed  
20 for 150 yards and carry it back, you know.

21 DAVID: Well, the thing of it is, you, you're  
22 not going to fire upon him, you said you weren't.

23 JIM: Obviously, but I know he's, they're  
24 somewhat apprehensive. It's not that big an issue with  
25 me, I'll do it your way.

DAVID: Well --

1 JIM: Just put it there, and then, and then  
2 do the dogs, no more than two guys, go ahead and do it,  
3 okay?

4 DAVID: Okay, we'll go ahead and tell Steve  
5 that so he knows you're not -- 'cause I'm still batting  
6 for you guys, too.

7 JIM: Okay, what -- okay.

8 DAVID: You understand, they're --

9 JIM: I thought you were in charge.

10 DAVID: They're telling me, they're telling  
11 all night about all these, you know, things that you  
12 all guys are doing around here, contrary against what  
13 you're saying.

14 JIM: I -- Dave, between you and me, between  
15 you and me, now, I think some of the guys are getting  
16 apprehensive in there, seeing --

17 DAVID: Oh, definitely.

18 JIM: -- seeing the bushes and the shadows,  
19 because there's nobody been up that close.

20 DAVID: (Laughs.)

21 JIM: It's not true. I mean, we're, those  
22 --

23 DAVID: Do you know the tank just, just last  
24 night, came right out here and drove right beside us on  
25 our, on our, on our power plant side of the building.  
Maneuvered around and came right down and maneuvered

1 --

2 JIM: Well, that was a shift change,  
3 probably.

4 DAVID: -- by the -- It's not supposed to be  
5 on our property.

6 JIM: Yeah, well, yeah, I understand what  
7 you're saying.

8 DAVID: You know, and they, and right out  
9 here, they, they drove over our guard shack on our  
10 property.

11 JIM: Um-hum.

12 DAVID: They drove over the blue, the blue  
13 building.

14 JIM: David, while, while they're delivering  
15 that telephone, can we talk about Cyrus for a minute?

16 DAVID: Sure we can talk about Cyrus.

17 JIM: Rachel asked about him going with his  
18 grandmother.

19 DAVID: Well, that's, that's what, that's  
20 what they want. But we already know what the law is.

21 JIM: Well, we called Child Protective  
22 Services, okay? And we said look, this boy's in here  
23 and his grandmother lives in Chandler, Texas.

24 DAVID: Um-hum.

25 JIM: And --

DAVID: She's a nurse.

1 JIM: Yeah, and said what a, you know, what's  
2 the deal here. And they said well, it's, you know,  
3 it's their policy to turn the children over to  
4 relatives, and, and those -- and that's what they want  
5 to do. And we asked them specifically about, is it  
6 Mrs. Haldeman? Haldeman or something?

7 DAVID: Um-hum.

8 JIM: And they said yeah, we don't -- they  
9 said they didn't think there'd be an objection to that.

10 DAVID: But they haven't done that so far  
11 with any of the children.

12 JIM: No, no, all the children are kept  
13 together, okay.

14 DAVID: No, the -- they said they were  
15 putting them in foster homes temporarily.

16 JIM: No, no, they're still all together.

17 DAVID: Oh, okay.

18 JIM: Yeah. And they said that, you know,  
19 they're kind of -- 'cause they know each other and, and  
20 what they wanted to do was keep them together. And  
21 then when you guys walked out safely, they, they said  
22 that, you know, the parents that are released, they  
23 want to be able to give their children back to them.  
24 And then --

25 DAVID: Oh, Jim.

JIM: Well, no --

1               DAVID: Okay, I'll be good, go ahead.

2               JIM: Hey, everybody -- you and I don't, both  
3 know that everybody in there --

4               DAVID: No, you're right.

5               JIM: -- is not gonna be charged. You know,  
6 you and I both know that. I think --

7               DAVID: Yeah, especially with, with the way  
8 it's looking right now, especially like the ATF agents  
9 and some of the film coverage in regards to actually  
10 who shot first and --

11              JIM: Well, I --

12              DAVID: They just said it was actually an  
13 accident. I mean, I was standing there in the door. I  
14 was telling -- I was standing there in the door, they,  
15 they did hear me say, you know, go back, there's women  
16 and children here, let's talk about this. And, you  
17 know, they, they did see me, you know --

18              JIM: Yeah, I know.

19              DAVID: They did see me fall back, you know,  
20 when, when -- of course there's, all of a sudden  
21 (Indiscernible) --

22              JIM: Right.

23              DAVID: And you all did fire first and  
24 everything.

25              JIM: There's some film of that, and, and  
that'll get out in the court.

1                   DAVID: That's right.

2                   JIM: And that'll get out in the courtroom.

3 But --

4                   DAVID: But actually there's the agents who,  
5 who admitted to it, that's the real important thing.

6                   JIM: Well, that's, that's good for your, for  
7 your side. And the truth needs to come out, I think,  
8 don't you?

9                   DAVID: Oh, it will.

10                  JIM: All right. Well, how, how about Cyrus?  
11 Now we've taken care of the telephone and the --

12                  DAVID: Well, it's, you know, Cyrus --

13                  JIM: -- and the dogs. I mean you --

14                  DAVID: Cyrus -- look, here's the children  
15 that need to go to that, to that side, okay?

16                  JIM: Okay. Tell me who they are.

17                  DAVID: I'm gonna, well, I'm just gonna give  
18 you a few names at a time.

19                  JIM: Okay. That's great.

20                  DAVID: Okay?

21                  JIM: Um-hum.

22                  DAVID: Oh, see, you all ain't gonna do this.

23 I mean --

24                  JIM: Yeah, we'll take care of it, come on.

25                  DAVID: Okay. Cyrus, Star, and Bobby.

                  JIM: Cyrus, Star, and Bobby, okay.

1 JIM: I want, I want to get you, I want to  
2 get you --

3 DAVID: -- the, the shrink that he used just,  
4 with just the parts that I could use without any pain.

5 JIM: Listen, when, when -- and I, and  
6 listen, don't get me wrong. Don't get me wrong, I'm  
7 not pushing you, but when you decide to come out, we're  
8 going to make sure you get the best medical care and  
9 get your strength back and get that fixed up, okay?

10 DAVID: Well, I'm drinking grape juice now  
11 because, like I said, the loss of blood was a lot.

12 JIM: I know it.

13 DAVID: So as long as I'm in a prone  
14 position, you know, my vital signs and all that are  
15 good.

16 JIM: Um-hum.

17 DAVID: But it's like, it's just like any,  
18 it's like it, it's probably a bit of anemia because of  
19 the loss of blood, and I need, I need just to build up  
20 blood content a little bit.

21 JIM: All right.

22 DAVID: So we're, we're utilizing the proper  
23 juices to do that with.

24 JIM: Okay. Well, think about walking out of  
25 there and getting some good medical care, and leading  
all those people out. They need you.

1           DAVID: Yeah. Well, let's think about God on  
2 the throne too now, Jim.

3           JIM: Okay, David, I will.

4           DAVID: I want you all in the, in your system  
5 and all the men of this nation who have ears to hear  
6 and eyes to see to have every opportunity --

7           JIM: I know.

8           DAVID: -- before you end up standing in  
9 front of guns that you have no power against.

10          JIM: Um-hum.

11          DAVID: I mean honestly.

12          JIM: Okay.

13          DAVID: Okie-doke.

14          JIM: Hey, watch that thing at 3:30.

15          DAVID: I will.

16          JIM: And I'll talk to you later.

17          DAVID: Thank you now. Bye.

18          JIM: Bye.

19                           \* \* \* \*

20          RACHEL: Hello?

21          JIM: Rachel?

22          RACHEL: Yeah.

23          JIM: This is Jim. Is David there?

24          RACHEL: Yeah, but we'll talk to you later  
25 'cause he's listening, he's watching the TV.

          JIM: Well, but listen, this is an emergency.

1 The guys in tactical vehicles just told me that three  
2 men walked out of the house carrying guns. This is --

3 RACHEL: No, I, I don't think that's true.

4 JIM: Well, they -- it is true. They just  
5 told us.

6 RACHEL: Just a minute.

7 JIM: The red side?

8 STEVE: Hello?

9 JIM: Hello, Steve?

10 STEVE: Yeah.

11 JIM: This is Jim.

12 STEVE: Jim, okay.

13 JIM: The tactical guys just reported that  
14 three men just walked out of your building with guns.

15 STEVE: With guns.

16 JIM: With guns.

17 STEVE: No, they didn't.

18 JIM: Well --

19 STEVE: That's not true.

20 JIM: Over on the --

21 STEVE: I can tell you their very names who  
22 went out to get the dogs and drag the bodies of those  
23 dogs --

24 JIM: What were then carrying? What were  
25 they carrying?

STEVE: Probably shovels.

1 JIM: Okay, 'cause --

2 STEVE: Or were they -- wait, just, let me  
3 find out.

4 JIM: Okay.

5 STEVE: I'll tell you the very names of --

6 JIM: Just confirm it. Just confirm it.

7 STEVE: Okay. Wait just a minute. Would  
8 somebody go there for me and look to see who went out  
9 to take the dogs?

10 UNIDENTIFIED FEMALE SPEAKER: Cliff and Greg.

11 STEVE: Cliff and Greg did? Two guys did,  
12 right? That's it, two?

13 JIM: Two? They said three. You check and  
14 tell me.

15 STEVE: And they're unarmed, totally unarmed.

16 JIM: Okay. All right, let me tell them.

17 STEVE: Okay.

18 JIM: Totally unarmed. Yeah. What were they  
19 carrying, they asked?

20 STEVE: What were they carrying? Well find  
21 it, tell somebody right -- find out. Who's around  
22 here? Okay.

23 JIM: Okay, maybe is it just shovels?

24 STEVE: I don't know yet.

25 JIM: Okay. Which door did they go out, the  
front?

1 STEVE: The front.

2 JIM: Okay.

3 STEVE: That's where the dogs are, right --  
4 in fact, as you look to the building, the dogs would be  
5 to the left side of the entrance.

6 JIM: Okay. Yeah, that's --

7 STEVE: I'm waiting to hear back from them,  
8 but they --

9 JIM: Still there? Steve.

10 \* \* \* \*

11 STEVE: Hello, Jim.

12 JIM: Hello. Yeah, Steve?

13 STEVE: Yes. You were right, there were  
14 three guys out there. One guy took it upon --

15 JIM: Okay, hold, hold on a minute, Steve.  
16 Hey, I'm sorry, go ahead.

17 STEVE: I was going to say, one guy took it  
18 upon himself to go out there and collect the -- he was  
19 going to go collect some things that he thought  
20 belonged to some of the guys that were here to see --  
21 he totally took it upon himself, though. We knew  
22 nothing about it.

23 JIM: Okay. Okay.

24 STEVE: We just, in fact, just jumped all  
25 over the place on top of him.

JIM: All right, good. I, you know, thank

1 | you, Steve. I'm just concerned about, you know, we  
2 | know in advance. I don't want any --

3 |         STEVE: Exactly.

4 |         JIM: You know.

5 |         STEVE: I know the, you know, what you're all  
6 | going through just to get the thing worked out so  
7 | there's no problems and --

8 |         JIM: Well, I appreciate it.

9 |         STEVE: I really am sorry for that.

10 |         JIM: Don't worry. Tell them it's for their  
11 | own safety.

12 |         STEVE: Exactly.

13 |         JIM: Did you watch the press conference?

14 |         STEVE: Yeah, only got to see about half of  
15 | it because I was trying to, you know, I lost the  
16 | connection with you there, and that --

17 |         JIM: Well, it's still on. Go watch the rest  
18 | and I'll talk to you.

19 |         STEVE: Oh, okay. Well, we only get Channel  
20 | 2 there. Okay, I'll call you back or you can call me,  
21 | then, when it's over.

22 |         JIM: Okay.

23 |         STEVE: Okay, thanks, Jim. Okay, bye.

24 |                         \* \* \* \*

25 |         STEVE: Hello?

          JIM: Steve?

1 STEVE: Yes.

2 JIM: This is Jim. Did you call me?

3 STEVE: Yeah, I did.

4 JIM: Oh, I'm sorry. I was on the --

5 STEVE: Yeah, we got it all straightened out

6 with that, and the two, the two guys that did go out,

7 though, all they had was gloves on their hands.

8 JIM: Okay. Well listen, it's not -- I

9 already straightened it out with the tactical

10 commanders.

11 STEVE: Okay.

12 JIM: And appreciate you calling me back.

13 STEVE: Right.

14 JIM: No sweat. I mean, that's the kind of

15 communication we want.

16 STEVE: Right.

17 JIM: If something's awry, let's both look

18 into it.

19 STEVE: Okay, sounds good.

20 JIM: And, and make sure it's not, you know,

21 so. That's all. That's all.

22 STEVE: Okay. They're ready to go out there

23 then and start dragging those bodies out.

24 JIM: The dogs?

25 STEVE: Yeah, the dogs.

JIM: Yeah, okay. Okay.

1 STEVE: Okay?

2 JIM: Yeah, I think it's okay, but are they  
3 going to dig a hole? Tell me what they're going to do.

4 STEVE: Oh, they say that -- there's also a  
5 goose that apparently is -- what is he, penned up or --

6 UNIDENTIFIED MALE SPEAKER: Yeah, he's penned  
7 up.

8 STEVE: He's penned up and they want to leave  
9 the thing loose.

10 JIM: I don't care.

11 STEVE: Okay, that's all right also. Oh, how  
12 far away is that, though, just so --

13 UNIDENTIFIED MALE SPEAKER: On the left-hand  
14 side of the --

15 STEVE: Left-hand side of the building, so  
16 they're be walking over by the left-hand side of the  
17 building and right by the fence there, there's a goose  
18 that's been stuck there for days now.

19 JIM: A goose?

20 STEVE: A goose, a white goose.

21 JIM: A goose. Yeah, okay, let him out.

22 STEVE: Okay.

23 JIM: Yeah. And, and are they going to bury  
24 the dogs or just drag them out?

25 STEVE: They're going to -- what are you  
going to do with those dogs, drag them out or what are

1 | you doing? (Unidentified voices in background not  
2 | discernible.) I mean, but are you dragging them or  
3 | what? Picking them up? Okay.

4 | JIM: Are they going to bury them or not?

5 | STEVE: You're going to bury them?

6 | (Unidentified voices in background not discernible.) I  
7 | guess just, what --

8 | JIM: Just drag them out away from the house.

9 | STEVE: Yeah, I think you're right.

10 | JIM: That's fine, where they don't bother  
11 | you.

12 | STEVE: Okay.

13 | JIM: Okay, Steve.

14 | STEVE: Okay, that's what they'll do.

15 | JIM: Okay. Hey --

16 | STEVE: Yeah.

17 | JIM: Talk to David now, he, he was --

18 | STEVE: All right.

19 | JIM: -- going to send some kids out and --

20 | STEVE: All right.

21 | JIM: If we could do it before dark, I'd sure  
22 | like to do it.

23 | STEVE: Okay, I'll talk with him.

24 | JIM: Kids get scared at night.

25 | STEVE: Okay.

JIM: Yeah.

1 STEVE: Is that --

2 JIM: Hey, let me talk --

3 STEVE: Is that conference over or --

4 JIM: Oh, I don't know, I just came to answer  
5 the phone.

6 STEVE: Okay.

7 JIM: I'll let you go so you can do the dog  
8 thing.

9 STEVE: Right, and I wanted to see if  
10 anything else was on there myself.

11 JIM: Okay, and, and then talk to David about  
12 the kids and have David call me.

13 STEVE: All right, I'll do that.

14 JIM: Have the kids get ready, you know.

15 STEVE: Okay, I'll have him call you.

16 JIM: Okay, bye.

17 STEVE: Okay, bye.

18 \* \* \* \*

19 GREG: Hello?

20 JIM: Hello?

21 GREG: Yeah.

22 JIM: David?

23 GREG: No, this is Greg.

24 JIM: Oh, Greg. This is Jim.

25 GREG: Hi, Jim, How are you doing?

JIM: Pretty good, did you --

1 GREG: Hold on, hold on a second, here's  
2 Steve.

3 JIM: Okay.

4 STEVE: Hello?

5 JIM: Steve?

6 STEVE: Yeah, Jim.

7 JIM: Did you get those dogs?

8 STEVE: Yeah, they just, they pulled them  
9 away and did you get that goose also or --  
10 (Unidentified male voice in background not  
11 discernible.)

12 JIM: The goose?

13 STEVE: Yeah, well, that's where, remember?  
14 That's what I mentioned to you --

15 JIM: Yes, yes.

16 STEVE: We were going to let that thing  
17 loose? Yeah.

18 JIM: Yeah. Well, good, I don't want him to,  
19 I don't want him to die in there. Did he get him out?

20 STEVE: Yeah, they got him out, they let him  
21 loose.

22 JIM: Well, he'll have plenty to eat in the  
23 fields, I guess.

24 STEVE: And there's a whole lot of chickens  
25 in a pen too. I hate to keep, but what do you think?  
I don't know.

1 JIM: Where, where is it?

2 STEVE: Where's, where's the chickens at?

3 UNIDENTIFIED MALE SPEAKER: Over on the north  
4 side.

5 STEVE: It's over on the north side, toward  
6 like where the Bradley is.

7 JIM: The north side -- let's --

8 STEVE: I don't know, can they be, you can't  
9 really see, though, from where you're at anyway, from  
10 where they're -- unless someone flew over, I'd imagine.  
11 But it's a pen with a whole -- I don't know, how many  
12 chickens are there in there? About 50 chickens in  
13 there.

14 JIM: Okay, let me, let me wait on it. Let's  
15 just wait on the chickens for a minute and --

16 STEVE: Yeah.

17 JIM: See if we can --

18 STEVE: Wait on the chickens, yeah. It does,  
19 it does sound funny to me too, I must admit.

20 JIM: Well, we -- I'm glad, you know, we  
21 don't want them to be hurt, you know, so.

22 STEVE: Yeah.

23 JIM: How about some kids coming out, did  
24 David -- did you talk to David?

25 STEVE: I just started to when we were  
bringing something in on the TV station, then the thing

1 | went out again. We're trying to -- we don't, see, we  
2 | don't have capability, I thought we did on this TV, for  
3 | UHF.

4 |               JIM: Oh, um-hum.

5 |               STEVE: So I don't know what's wrong with it.  
6 | What is it? (Unidentified male voice in background not  
7 | discernible.) See there, the good TV that we did have  
8 | was all shot up when, when they arrived.

9 |               JIM: Oh, I see.

10 |              STEVE: So that's what we're trying to make  
11 | do and, like what you were telling us what you were  
12 | watching, we -- but that must be Channel 25, maybe?

13 |              JIM: Yeah, that was 25, yeah.

14 |              STEVE: Yeah, see, we can't, well, the only  
15 | thing we get is Channel 2.

16 |              JIM: Oh, okay. Did you get the --

17 |              STEVE: So he wants to know, did you come up  
18 | with any names of anybody you wanted to send out or --

19 |              DAVID: No, not yet.

20 |              STEVE: Not yet, he said.

21 |              JIM: Okay. Oh, he already gave us the  
22 | names.

23 |              STEVE: Oh, he did, okay.

24 |              JIM: Yeah. Dailand (phonetic sp.), Pages.

25 |              STEVE: All right.

              JIM: Cyrus, Star, Bobby. I just -- let's

1 | see, who else. Chanelle.

2 | STEVE: Uh-huh.

3 | JIM: Catherine.

4 | STEVE: Okay.

5 | DAVID: When are we going to get

6 | (Indiscernible)

7 | JIM: I just want -- which ones he wanted to  
8 | send.

9 | STEVE: Just a minute. Huh?

10 | DAVID: When are we going to get a line

11 | (Indiscernible)

12 | STEVE: He says, when are we going to get a  
13 | line out to answer some of the media questions?

14 | JIM: As soon as you come out you can do all  
15 | that stuff.

16 | STEVE: He says, as soon as we come out we  
17 | can do all that sort of thing.

18 | UNIDENTIFIED SPEAKERS: Oh, yeah.

19 | (Indiscernible)

20 | STEVE: Man, I don't know.

21 | JIM: Well, you know, we, we did that with  
22 | the Christian Broadcast Network and we kept our word.  
23 | You know, if you come out, those people all want to  
24 | interview you and I'm sure it can be arranged, so.

25 | STEVE: He's sure it can be, if we all come  
out, that, like the Christian station, they interviewed

1 us. I mean, they've -- Jim, you're funny.

2 JIM: Oh, hey --

3 STEVE: You're very funny.

4 JIM: Do you want me to check with them?

5 STEVE: Huh?

6 JIM: Do you want me to check with them?

7 STEVE: No, well, yeah, you mean about giving  
8 us a line back out to the media?

9 JIM: No, I mean about giving you an  
10 interview after you come out.

11 STEVE: About giving us an interview after we  
12 come out?

13 JIM: Right.

14 UNIDENTIFIED MALE SPEAKER: Everyone's  
15 calling.

16 JIM: Every I mean, we get a million calls,  
17 everybody wants to interview you. You know, if David  
18 said he's coming out, I'd say if you want to interview  
19 him when it -- if you want to talk to them when you  
20 come out, you know, everybody wants to talk to you.  
21 Yeah. I mean, you told them you were coming out, and  
22 they're sitting there waiting for you, you know. It's  
23 a big chance to, to deal with them, you know.

24 STEVE: Okay.

25 JIM: Well, anyway.

UNKNOWN: He's waiting on his God right now.

1 STEVE: He said he's waiting on his God right  
2 now.

3 JIM: Okay, I understand.

4 STEVE: How long are you going to be there  
5 till, Jim?

6 JIM: Oh, I don't know. I guess Henry will  
7 probably come after a while.

8 STEVE: But I, I'll probably give you a call  
9 here in a little bit.

10 JIM: Okay.

11 STEVE: You're going to be there how late  
12 though, do you think?

13 JIM: Oh, I don't know. Can, can you get  
14 any of the kids ready?

15 STEVE: That's what he just got done saying,  
16 waiting.

17 JIM: He wants to --

18 STEVE: He gave you the names. He's, he --  
19 to tell you the truth --

20 JIM: Uh-hum.

21 STEVE: He's been contemplating all that's  
22 been going on for the last five days with the movement  
23 of the Bradleys, these guys coming out sneaking around,  
24 you know, all that kind of thing. They're running over  
25 the shacks, all that.

JIM: Um-hum.

1           STEVE: I mean, it's not consistent with your  
2 rapport, your, you know, the way you are, the way  
3 you've been communicating.

4           JIM: Well, I know, I got a lot of bosses and  
5 commanders here.

6           STEVE: He keeps on saying, you know, looking  
7 like -- you sound like a lamb, but you know, the  
8 actions are like a dragon.

9           JIM: But I haven't lied to you and that's --

10          STEVE: But you know, right from the  
11 beginning you and I agreed. When you and I talked  
12 together right from the beginning Sunday.

13          JIM: Right.

14          STEVE: We had agreed that nothing would --  
15 these three vehicles would be on the perimeter, on the  
16 edge of the property but not on the property.

17          JIM: Steve, Steve, I made mistakes and you  
18 have made mistakes.

19          STEVE: I know. No, no, that's okay, that's  
20 okay, but just since --

21          JIM: You know, we --

22          STEVE: No, no, no, no, no. No, no, no! But  
23 yours continue. Do you call it encroachment, do you  
24 call it intimidation, do you -- whatever you call it,  
25 you're doing it, though, that's the point.

          JIM: Yeah.

1 STEVE: That is the point.

2 JIM: Okay, I --

3 STEVE: If you want to do what you want to  
4 do, well then we would say, go ahead and do it.  
5 Ultimately, we'll say go ahead and do it.

6 JIM: I understand. But there's no, no shots  
7 are fired, no effort to attack.

8 STEVE: That's not a -- beside the point.  
9 Ultimately, that, you keep on -- it's just like a lion  
10 or something like that, just slowly creeping up to a  
11 victim or something. Same thing. We're not doing  
12 anything, I'm just smiling at you, I'm just smelling  
13 the air. I mean it, you know, the whole thing is  
14 contrary to the way it all began with you and I and  
15 with you and David.

16 JIM: Well --

17 STEVE: What would you think, though, I mean,  
18 after --

19 JIM: Well, you know, you know what I think?

20 STEVE: What, what, after agreements,  
21 conclusions, and all of a sudden here is this Bradley  
22 out here running over -- what was that -- did you find  
23 out why they did that? Was that under your commanders,  
24 did he give the order? Is that kids out there fooling  
25 around, getting an opportunity to play with these  
machines or what? What is that?

1 JIM: I mean, I think both of us share this.

2 STEVE: No, no, what, what -- tell me about  
3 it? Go, you --

4 JIM: I'm trying to tell you, but you won't  
5 let me talk.

6 STEVE: I'm going to leave you talk. Tell me  
7 what that incident was about, why they did that up at  
8 the guard shack there.

9 JIM: Well, I think they were just trying to  
10 get that building out of the way so nobody would be  
11 hiding behind it.

12 STEVE: Why didn't you say something to us  
13 ahead of time about it?

14 JIM: Well, I think it happened when I wasn't  
15 here.

16 STEVE: Well, why didn't Henry? Is he not,  
17 is he not in your caliber, or can't he be trusted?

18 JIM: Well -- oh, yeah, sure.

19 STEVE: Well, why did he not say something?

20 JIM: Well he, he should have. I'm sorry if  
21 he didn't, I apologize.

22 STEVE: And why did -- then in the back they  
23 did the same thing. And here they're on the prop--  
24 what are they doing when, you know, you both -- by the  
25 way, you said the same thing as yourself.

JIM: But Steve, but Steve, listen. I mean,

1 I could say the same thing. Three men walked out of  
2 the house, you didn't tell me. I mean, I'm sitting --  
3 you know, it's the same thing.

4 STEVE: Yeah, that's a pretty big thing  
5 though, to go riding over property and all that. Come  
6 on, let me run your house over and you tell me that.  
7 Let's you and I switch this around and you sit in a  
8 position like this.

9 JIM: I'd walk out with my hands up and  
10 surrender and go to court, that's what I would do.

11 STEVE: I don't believe so.

12 JIM: I would.

13 STEVE: Not if you had the same information  
14 and knowledge, you would not.

15 JIM: You know we're not going to do  
16 anything, that's what I would do. That's what I would  
17 do, honest to God, if that was me, I'd walk out.

18 STEVE: Well, you know, I really -- that's  
19 what I really actually thought, I really did. But I  
20 mean, it's contrary to what one sees and what you're  
21 hear around here, especially at night time. These guys  
22 think they're cute or something.

23 JIM: Um-hum.

24 STEVE: Apparently they don't fear the same  
25 God I do. It's obvious they don't. No wonder all the  
prophets talked about the way they did in the final

1 | days, about a little group and all that. You know,  
2 | it's hard for even me to buy. But just by the things,  
3 | the events that have taken place, transpiring here, you  
4 | see it happening.

5 | JIM: Um-hum. Well, the solution is simple.

6 | STEVE: Okay, what is it, what do you think  
7 | it is?

8 | JIM: Yeah. You come out like you said and  
9 | this'll be over. And then the, then the final --

10 | STEVE: What'll, what'll be over?

11 | JIM: What will be over?

12 | STEVE: It will be over for what, you? For  
13 | your part of this communication?

14 | JIM: No, I'm talking about all your people  
15 | in there that are not in safety.

16 | STEVE: We will do you -- we will do like we  
17 | told you we will, but the only element there that has  
18 | not changed, and he's waiting, is he was told to wait.  
19 | So even for me, I would -- it would have been no  
20 | problem to walk right on out there, but it's that very  
21 | God that showed him the information that have convinced  
22 | and convicted us that the Bible is true, it can't be  
23 | gainsaid, the information there.

24 | JIM: I'm not, I'm not disputing that, Steve.

25 | STEVE: No, no, but that's the reason why  
we're still here. Otherwise, we would walk out right

1 now. There would be no problem.

2 DAVID: We're not afraid (Indiscernible)

3 JIM: Well, again --

4 STEVE: And like he's, he's telling me right  
5 now, like, we're not afraid of you or your law. That's  
6 not the problem.

7 DAVID: (Indiscernible) fear God and his  
8 laws.

9 JIM: Yeah.

10 STEVE: And I -- that's right, we fear God  
11 and his laws. You know, as you and I have discussed  
12 before.

13 JIM: I don't, and I don't dispute that.

14 STEVE: I can't stress, I can't stress it any  
15 stronger. That's why your trying to coerce and,  
16 through salesmanship and all the rest to send out one  
17 more, one more, whatever, we'll go as fast as possible.  
18 In fact, he's already done more than I would have  
19 thought he would have done, just because he's been  
20 waiting on that word. He was already told, wait.

21 JIM: Um-hum.

22 STEVE: So that's exactly what we've been  
23 doing.

24 JIM: Yeah. Well, I have no dispute over  
25 that.

STEVE: One of these days I'd sure like to

1 | hear your reaction to -- he, he definitely had a lot to  
2 | say to you yesterday, I mean spiritually speaking.

3 |           JIM: Um-hum.

4 |           STEVE: And now and then I'd come by and  
5 | listen. I'm really interested in what you really, your  
6 | response to that is.

7 |           JIM: Yeah? Well, I, I felt a little more --

8 |           STEVE: Apparently I don't, I really don't  
9 | think there was one, because I can tell by how you  
10 | continue with me, you continue with him. I, I really  
11 | doubt that -- you're probably, on the contrary, you're  
12 | not convinced, but if anything, you -- I know, you've  
13 | got a job to do. Let's get us out there, get us in  
14 | jail, go through the court system, and then the rest  
15 | will be over. You can go back to living your life and  
16 | doing the same with others.

17 |           JIM: Well, I think everyone will go back to  
18 | living their lives. You will too. I mean, this is,  
19 | this is something you've got to get over. You've got  
20 | to deal with it. You can't run away from it. You've  
21 | got to deal with it.

22 |           STEVE: Yeah, like David just said, let's  
23 | process the fish.

24 |           JIM: What does that mean?

25 |           STEVE: Well, you tell me.

          JIM: I don't know.

1 STEVE: Let's process the fish.

2 JIM: You said it. I don't know.

3 STEVE: He doesn't, he says what does that  
4 mean.

5 DAVID: Tell him I'm praying hard for him.

6 STEVE: David says he's praying hard for you,  
7 Jim.

8 JIM: Okay, well, I, I'm praying for him,  
9 too.

10 STEVE: I'd sure like to see what you look  
11 like, I mean just to see who I'm talking to here.

12 JIM: Well, you'll see me when you come out.

13 STEVE: He says I'll see him when I come out.  
14 (Laughs.) Jim, I tell you. You're something else.

15 JIM: Steve, we're going to work it out.

16 STEVE: I know we are. I really, I -- but I  
17 want the best -- I'm not concerned for myself, Jim, I'm  
18 concerned for you, I really am. That's why --

19 JIM: Aren't you concerned for those children  
20 and those women in there?

21 STEVE: No, I really am -- I'm not concerned  
22 for anybody within, in honesty, not in the least.

23 JIM: Well, I am. I'm concerned for every,  
24 every one of them.

25 STEVE: They believe in a living God. You  
know, the Bible separates the beliefs of the world from

1 | those that believe in the living God, as it says in  
2 | Revelations 7. I mean, you would think that every,  
3 | every god that everyone worships is a living God, but  
4 | not so. The Bible shows clearly, not too many know  
5 | that living God. But anyway --

6 | JIM: Steve --

7 | STEVE: Should I give you, should we give you  
8 | a call back, or what do you want to do?

9 | JIM: I'll tell you what I'd like.

10 | STEVE: Okay.

11 | JIM: And you discuss it with David, okay?

12 | STEVE: Okay.

13 | JIM: What I'd like is for you to send a  
14 | couple of children out before it gets --

15 | STEVE: I don't -- it's not possible. He  
16 | just, I just asked him, he said no.

17 | JIM: Okay.

18 | DAVID: (Indiscernible)

19 | JIM: Well, he told me earlier it was, and  
20 | that's the only reason.

21 | STEVE: To send a few children out.

22 | DAVID: No, I'm not going to send the kids  
23 | out right now.

24 | STEVE: He says I'm not going to send them  
25 | out right now, that's what he said.

JIM: Okay. All right.

1               STEVE: I just, I mentioned it loudly enough  
2 so he could hear.

3               JIM: Okay, that's fine. And maybe he'll  
4 tell us later.

5               DAVID: Tell him I want to see, I want to see  
6 these tanks and stuff out of my --

7               STEVE: He wants to see these tanks out of  
8 his back yard, he wants to --

9               DAVID: These guys out of (Indiscernible)

10              STEVE: And these guys out of his yard and  
11 out of the vehicles and things like that.

12              JIM: Yeah, I know.

13              STEVE: He wants to see what you guys will do  
14 now.

15              DAVID: The original promise --

16              STEVE: The original promise.

17              JIM: Yeah.

18              STEVE: Actually, he told us, he said even  
19 with that tape and with all that that was being sent  
20 out, he wanted to see there right all the way up to,  
21 how you were, and even after.

22              JIM: Um-hum.

23              STEVE: I mean, of course, you know --

24              JIM: But Steve.

25              STEVE: Yes.

              JIM: He broke his promise. He said --

1                   STEVE: No, you did, from before it even  
2 started with us. Before it started with us, you told  
3 me that you would have those on the perimeter.

4                   JIM: But, but --

5                   STEVE: But contrary to that, you had, you've  
6 had infantrymen, you've had personnel on the property,  
7 you've done things that were totally -- I mean, never  
8 talked to me about it.

9                   DAVID: (Indiscernible)

10                  JIM: But Steve, let me talk just a second.

11                  STEVE: She's a cheap reconnaissance is  
12 right.

13                  JIM: Let me talk just a second.

14                  DAVID: (Indiscernible)

15                  JIM: I'm not disputing it, that truck/tank  
16 thing.

17                  STEVE: Well, okay, no, here's what David's  
18 saying, though. Jim, let's just do it this way. We're  
19 going to take --

20                  JIM: Well, let, let --

21                  STEVE: We're going to --

22                  JIM: Well, let me talk to him.

23                  STEVE: Wait, wait, wait, wait. We're going  
24 to take a little break now.

25                  JIM: Um-hum. Okay.

                  STEVE: And what we wanted to see is what you

1 | do with these guys that are on the property.

2 |           JIM: Um-hum.

3 |           STEVE: The three vehicles, the two Bradleys  
4 | behind the old garage building and the one in front.

5 |           JIM: And then what --

6 |           STEVE: The guys running around on the  
7 | property and all that.

8 |           JIM: But then what will you do? What will  
9 | you do it if I do something?

10 |           STEVE: Well, let's see. You try us,  
11 | because, you know, right now -- well, let's see.

12 |           DAVID: (Indiscernible)

13 |           JIM: Well, Steve, you told me you're not --

14 |           STEVE: Let's see how -- okay, here's what  
15 | David just said. Let's see how much you and those  
16 | people love these children. That's what he said.

17 |           JIM: Okay, now, can you listen to me for  
18 | just a second.

19 |           STEVE: I will.

20 |           JIM: Okay. You said you were going to come  
21 | out; you didn't. David said he was going to come out;  
22 | he didn't. Isn't that what happened?

23 |           STEVE: How long do you want to sit on the  
24 | phone, because what I just said is what it is.

25 |           JIM: Okay.

          STEVE: Because you said what you said also.

1 That's what I'm telling you. You before me. Is that  
2 not true, Jim? The first night, the first day you and  
3 I began communication --

4 JIM: Um-hum.

5 STEVE: -- you stated some things to me. And  
6 so finally I gave in and said okay. I didn't like the  
7 idea of even these things sitting even on the very  
8 perimeter.

9 JIM: Right.

10 STEVE: But finally I said okay, he said okay  
11 also.

12 JIM: Okay, Steve --

13 STEVE: But it's never been that. So --

14 JIM: But give me just a second, now.

15 STEVE: Okay.

16 JIM: I listened to you. The, the problem I  
17 had, do you remember the day the commanders jumped all  
18 over me?

19 STEVE: I do.

20 JIM: And that was the day that we played the  
21 tape on the Christian Broadcast --

22 STEVE: I don't even know if that's true, of  
23 course, but I'm going to take your word.

24 JIM: Well, you listened to them.

25 STEVE: I don't know why they would jump on  
and you, and now you are as a negotiator in the first

1 place.

2 JIM: Wait -- all right, let me finish. We  
3 played the tape, as you requested, the Christian  
4 Broadcast Network for an hour. And on the tape, David  
5 said everyone was going to immediately come out.  
6 Nobody came out. The commanders were mad at me. It  
7 wasn't until after that, that there was any  
8 encroachment on your compound. It was all before --

9 STEVE: No, no, that isn't true, Jim.

10 JIM: Yes!

11 STEVE: No, it's not!

12 JIM: Yes, the only ones with --

13 STEVE: You've got -- no, they actually had  
14 been moving around before then. That is the truth.

15 JIM: They never came in.

16 STEVE: I'll go get an, I'll get an  
17 eyewitness accounts by the people here. They watched  
18 them.

19 JIM: Well.

20 STEVE: Seriously.

21 JIM: Well, I'm telling you, that was my  
22 recollection.

23 STEVE: 'Cause I remember even raising the  
24 question to you even before the day that that was  
25 mentioned that we'd immediately come out. I even  
mentioned to you, it seemed to be -- I thought you were

1 going to do something about it, nothing was. Nothing  
2 was done about it.

3 JIM: Well, when did they, when did they --

4 STEVE: So it's just been left.

5 JIM: When did they crush that building?  
6 Wasn't that last night?

7 STEVE: That was last night, that they  
8 started going that far. They've been doing, diddling  
9 around -- Pardon?

10 DAVID: -- the radio said, just like, you  
11 know, when David comes out, shoot him in the head.

12 STEVE: The radio, like the radio said. When  
13 David comes out, shoot him in the head.

14 JIM: What radio?

15 STEVE: One of the stations said that.

16 JIM: Oh. Well, that's crazy. That's not  
17 going to happen. You know, it was a tough, a tough  
18 sell for us to convince that Christian Broadcast  
19 Network.

20 STEVE: You said it's not gonna -- I mean,  
21 that's what has been said, though, on the radio, on the  
22 waves.

23 JIM: It's not going to happen.

24 DAVID: (Indiscernible) that too, you know.

25 JIM: It's not going to happen, unless he  
comes out --

1 STEVE: So how -- that's what I'm talking  
2 about. One's got to consider all these things. One's  
3 got to consider the, the history and the record of ATF  
4 in the past, how they've dealt with others.

5 DAVID: (Indiscernible)

6 STEVE: Yeah, just a minute.

7 JIM: Um-hum. Well, it's not, it's not going  
8 to happen.

9 STEVE: Wait, wait, just -- wait. I want to  
10 pass something on to you, he's talking to me.

11 JIM: Okay.

12 DAVID: -- about the, the machine gun fire  
13 from the helicopters, how it shot my room all up, more  
14 than any other room in the (Indiscernible)

15 JIM: Hey, put him on the phone, Steve.

16 STEVE: Okay. Do you want to talk to him?  
17 He wants to talk to you. No, he says no.

18 JIM: Okay.

19 STEVE: Okay, he says tell Jim --

20 JIM: Okay, well --

21 STEVE: -- how when the choppers came in, how  
22 they shot up his bedroom --

23 JIM: Um-hum.

24 STEVE: -- more than anyplace on the  
25 perimeter.

JIM: They didn't have any guns on them.

1                   STEVE: They had. They guy saw him come and  
2 they just started shooting up. You ought to see the  
3 size of the holes in that, in that wall of the  
4 building.

5                   JIM: Uh-huh.

6                   STEVE: Yes, they did, Jim.

7                   JIM: Yeah.

8                   STEVE: You ought to seen how many witnesses  
9 watched that.

10                  JIM: Okay.

11                  STEVE: That, that didn't come out in the  
12 press or in the news, did it, Jim. I don't see how it  
13 ever will --

14                  JIM: Hey, hey, Steve?

15                  STEVE: -- unless God does something about,  
16 do you? ((Unidentified male voice in background not  
17 discernible.))

18                  JIM: I think, I think those were outgoing  
19 rounds through the wall.

20                  STEVE: No, they were not outgoing rounds,  
21 no, no. (Unidentified male voice in background not  
22 discernible.)

23                  JIM: It's clearly shown on the TV tape.

24                  STEVE: They are not, yes.

25                  DAVID: Why do you think they were going  
towards my room?

1 STEVE: Yeah, why do you think they were  
2 going towards his room in the first place?

3 JIM: Yeah, but I think, and on some of those

4 --

5 STEVE: All right, yeah?

6 JIM: On some of those TV tapes, you're going  
7 to see those rounds coming out.

8 STEVE: I'd like to see those TV tapes. I  
9 never got to see them.

10 JIM: Well, come on out, you can see them.

11 STEVE: No, send us, send me a tape here.  
12 We've got a VCR.

13 JIM: Send me some kids out.

14 STEVE: He wants, he says send me some kids  
15 out.

16 JIM: And I'll send you a tape.

17 DAVID: We don't play that now.

18 STEVE: We don't play that now is right.

19 JIM: We'll send -- I'll send you all the  
20 news coverage.

21 DAVID: (Indiscernible)

22 STEVE: We're, we're going to go back to the  
23 first thing about you doing the first thing that you  
24 said you were going to do.

25 DAVID: (Indiscernible)

JIM: Well, you back away, Steve. We could

1 have -- you want, you want it, but when we ask you for  
2 something, you back away. You don't want to follow  
3 through.

4 STEVE: No, no, no. This was the first thing  
5 you and I agreed on. We want to go back to square one.  
6 We want to go back to square one. Let's resolve and  
7 take care of the very things that were stated then.

8 JIM: Um-hum. Um-hum. Well, I think we need  
9 to, you know, set the record straight, and that is that  
10 there was no guns on the helicopters, and whether or  
11 not you want to believe ATF, there was National Guard  
12 officers on those helicopters.

13 STEVE: He says there was no guns on those  
14 helicopters.

15 DAVID: That's a lie! That is a lie. He's a  
16 damn liar.

17 STEVE: Did you hear that?

18 JIM: I, I know what he said, but it's, it's  
19 not true.

20 STEVE: He says he wants to talk to you now.

21 JIM: All right.

22 DAVID: Now, Jim, you're a damn liar now.  
23 Let's get real.

24 JIM: David --

25 DAVID: You're -- No, you listen to me.  
You're sitting there and telling me that there were no

1 | guns on that helicopter?

2 |           JIM: I said they didn't shoot. There's no  
3 | guns shot --

4 |           DAVID: You are a damn liar!

5 |           JIM: Well, you're wrong, David.

6 |           DAVID: You are a liar.

7 |           JIM: Okay. Well, just calm down.

8 |           DAVID: And -- no, let me tell you something.  
9 | When I am ready to cry unto my God, you are going to  
10 | stand before a furious God who's gonna judge you from  
11 | the time you were conceived. You don't fear God, and I  
12 | understand that. And I've come to this world just like  
13 | you, and I know the reasons why you don't.

14 |           JIM: Um-hum.

15 |           DAVID: But there comes a point where there  
16 | has to be a bridge made between carnality and divine  
17 | inspiration. There is a truth of a God, whether it's  
18 | true or fictitious. Whether it's a Peter Pan story or  
19 | not. The storybook for infidelity says there's a God  
20 | who sits on a throne.

21 |           JIM: Um-hum.

22 |           DAVID: Now, if it's just a story of  
23 | infidelity, it's a political matter, because this  
24 | country, this nation states that in a God it trusts.  
25 | Now, I want to know which God we're trusting in. I  
   | want to know why bureaucracy allows men and women of

1 | this world to exercise a religion or a mental kind of  
2 | sedition that allows them to go and sit  
3 | congregationally and hear words of hope and words of  
4 | peace, when in this world there is none. Now, if the  
5 | Bible's a lie, then the system that allows such an --  
6 | speech is a lie. But if the Bible's true, and there  
7 | are those who will believe its witness, then it must be  
8 | a judgement involved. Okay, so you say the Bible's  
9 | true, Jim. All right. So you know the Bible now. So  
10 | you say Christ, you believe in Christ. So you know  
11 | Christ. Okay, well, show me the seven seals. That is  
12 | gonna judge you and this whole nation. You don't  
13 | believe me, I understand. And you don't fear me. But  
14 | I have just laid here and tolerated, step by step, your  
15 | kindness, and I've been telling you about this policy.  
16 | Lamblike, but speaking as a dragon. They project that  
17 | I have lied to you. No. I did not lie to you. You  
18 | will learn that I also have chief of command too. And  
19 | that there is a God in Heaven. You will learn that the  
20 | hard way.

21 |               You could learn it if you would open your  
22 | eyes and open your ears, and open your heart and  
23 | consider. Now, your (Indiscernible) said no one's on  
24 | the perimeter, I mean everyone's on -- no, whoa. They  
25 | have been running around there all along and you know  
   | it, Jim. If you don't, you need to ask your commanders

1 | in charge, and say hey, honestly, you know, you are  
2 | giving me a bad bat to bat with. Because, you know,  
3 | these lies are not making you look very good to anybody  
4 | here. Now, didn't you say that the helicopters had  
5 | guns but they didn't fire. Well, you are wrong. You  
6 | are dead wrong. That may be what you want the media to  
7 | believe, you know, but there's other people that saw,  
8 | too. Now tell me, Jim, again. You're honestly going  
9 | to say those helicopters didn't fire on any of us?

10 | JIM: David?

11 | DAVID: I'm here.

12 | JIM: Yeah, what I'm saying is -- now, I  
13 | listened to you, now you listen to me, okay?

14 | DAVID: I'm listening.

15 | JIM: Okay, what I'm saying is, that those  
16 | helicopters did not have mounted guns, okay? Now  
17 | listen, let me explain, because you cut me off and you  
18 | never get my idea, okay, what I'm trying to express to  
19 | you. Steve gets a little hot at me and, and you're a  
20 | little calmer and we can explain it to each other and  
21 | then work out the facts, okay.

22 | DAVID: Well, I want to listen to you, go  
23 | ahead.

24 | JIM: Okay. What I'm saying is, I'm not  
25 | disputing the fact that there might have been fire from  
the helicopters. If you say there was fire from the

1 | helicopters and you were there, that's okay with me.  
2 | What I'm telling you is, there was no mounted guns, you  
3 | know, outside mounted guns on those helicopters.

4 |           DAVID: I agree with you on that.

5 |           JIM: All right, then that's, that's the only  
6 | thing I'm saying. Now, the agents on the helicopters  
7 | had guns.

8 |           DAVID: I agree with you on that.

9 |           JIM: Okay? You understand what I'm saying?

10 |          DAVID: I agree with you.

11 |          JIM: Okay. Okay, so see? We're not even in  
12 | dispute, and Steve is getting all worked up over it.

13 |          DAVID: Well, no, what the dispute was over,  
14 | I believe, Jim, is that you said that they didn't fire  
15 | on us from the helicopters.

16 |          DAVID: Well, what I mean is, a mounted gun.  
17 | A mounted -- you know, like a mounted machine gun.

18 |          DAVID: Yeah, but beside the point, what they  
19 | did have was machine guns.

20 |          JIM: Okay, I don't, I don't know what they  
21 | had. They were armed. The people inside had pistols  
22 | or rifles.

23 |          DAVID: We agree, then.

24 |          JIM: Okay. All right, that's good. That's  
25 | good, we agree, okay? Let's just leave it at that.  
   | Okay?

1           DAVID: All right.

2           JIM: How you doing otherwise?

3           DAVID: Like I said. We're, we're sitting  
4 here, we're waiting, we're praying for you all.

5           JIM: Yeah, okay.

6           DAVID: And we're trying to, hopefully, that  
7 as this nation, as the, as what I stated is being heard  
8 and people are asking, you know, for copies of that  
9 tape, 'cause some people, you know, want to, they want  
10 to hear what it said. Others are --

11          JIM: Did you get our phone? Did you get our  
12 phone?

13          DAVID: Yeah, we got it.

14          JIM: Okay. Does it work okay?

15          DAVID: Oh, it works fine.

16          JIM: Are you on it? Are you using it?

17          DAVID: Yeah, we're using it.

18          JIM: Oh, okay. Good.

19          DAVID: And others are scoffing.

20          JIM: What do you mean?

21          DAVID: Well, you know, people are scoffing.  
22 You know, Psalms 1. You remember Psalms 1.

23          JIM: Um-hum.

24          DAVID: I mean, the situation that's at hand  
25 is a situation to where, you know, it appears as a  
maniac and there's an arms charge and this, that.

1 JIM: Unless --

2 DAVID: There's a lot of, a lot of different  
3 lines and details to it and, you know. Any time  
4 anybody judges a picture before he sees the whole thing  
5 is kind of a fool, isn't he?

6 JIM: Well, I think -- you know, there's a  
7 lot of people like that, skeptics, but you can't, I  
8 mean, you've got to deal with one person at a time, you  
9 know. It's hard to deal with the masses sometimes.

10 DAVID: Right. Okay.

11 JIM: You know how inaccurate the media's  
12 been, so.

13 DAVID: Right.

14 JIM: I saw them on there today and talked  
15 about, they talked about more negotiators than's  
16 anywhere around here. You know, I mean.

17 DAVID: They said what now?

18 JIM: They said there's three teams of  
19 negotiators talking to David, you know. That's not  
20 true.

21 DAVID: No, well, no, that's not true, 'cause  
22 I wanted, I wanted one negotiator, and you, I talked  
23 with you because first of all, you have your, your  
24 proficiency down.

25 JIM: Yeah.

DAVID: You know, you have an intelligence

1 behind your ability to talk.

2 JIM: Right.

3 DAVID: You know, you don't just have a radio  
4 disk jockey's voice, you've also --

5 JIM: Well, you're a, you're a bright guy  
6 yourself, and we've been able to communicate, and I  
7 think that's --

8 DAVID: Well --

9 JIM: That's real good, you know. So --

10 DAVID: And then the, then the second guy  
11 that came, what was his name, Gary?

12 JIM: Gar? Yeah.

13 DAVID: Oh, boy. That guy needs to go back  
14 to school, Jim.

15 JIM: Yeah, I know it.

16 DAVID: Oh, talking about pushy, I mean, you  
17 know.

18 JIM: I agree with you.

19 DAVID: By right of, by right of trade, you  
20 know --

21 JIM: I don't like him either, really.

22 DAVID: We're the ones that are supposed to  
23 be hot-headed, you know.

24 JIM: Yeah.

25 DAVID: We're the ones supposed to be, you  
know -- I want the \$5,000 and I want the airplane

1 (Indiscernible) or I'll not come -- you know, we're the  
2 ones supposed to be like that, you know?

3 JIM: I think he needs a different line of  
4 work.

5 DAVID: What do you mean?

6 JIM: Don't you?

7 DAVID: Who, Gary?

8 JIM: Yeah.

9 DAVID: Yeah, he's very --

10 JIM: Abrupt, I would say.

11 DAVID: Real tough guy, you know, and being a  
12 tough guy just makes the crazy guys tougher.

13 JIM: Well you don't, we don't need no John  
14 Waynes, you know?

15 DAVID: Yeah.

16 JIM: We just need --

17 DAVID: Well anyway, I told Gary, I said,  
18 look Gary, I said I made a deal with somebody, you got  
19 to respect it. Oh, no, he wouldn't listen.

20 JIM: Um-hum.

21 DAVID: Now, the reason why we've talked to  
22 Henry is because Henry, like yourself --

23 JIM: Right.

24 DAVID: -- you know, knows how to, he knows  
25 how to be a waitress.

JIM: Right.

1                   DAVID: And that's what you people are,  
2 you're professional waitresses, and you know  
3 professional waitresses --

4                   JIM: (Laughs.) That's a good analogy.

5                   DAVID: -- that are really good get tipped  
6 good.

7                   JIM: Um-hum.

8                   DAVID: And we have really been happy with  
9 you, you first, and secondarily Henry. So, you know,  
10 we commend you all.

11                  JIM: Well, I appreciate your say -- I  
12 appreciate your saying that, and frankly, I appreciate  
13 the way you've been, and I really do, and --

14                  DAVID: Check on, check on the baby. What's  
15 she crying about?

16                  JIM: Everything okay?

17                  DAVID: 'Cause some-- could be -- could  
18 someone go check on her, please? I don't want to hear  
19 them cry, kind of rips my heart.

20                  JIM: Is that Bobby?

21                  DAVID: No, I think it's, it's one of the  
22 other ones. Let me look at my list here, so I can see  
23 which names I gave you; otherwise, I might let another  
24 name slip.

25                  JIM: Okay.

                  DAVID: Okay.

1           DAVID: Okay?

2           JIM: How about ages, David?

3           DAVID: Huh?

4           JIM: Ages.

5           DAVID: No, that's Dayland and Pages.

6           JIM: Oh, Damon --

7           DAVID: Dayland, D-A-Y-L-A-N-D.

8           JIM: D-A-Y-L-A-N-D. Pages.

9           DAVID: And Pages, right.

10          JIM: And Cyrus.

11          DAVID: Yeah, Dayland, Pages, Star, Cyrus,

12 and Bobby.

13          JIM: Star --

14          DAVID: And I'll give you some more names

15 later.

16          JIM: Okay. How about giving me their ages?

17          DAVID: Okay. Dayland's three.

18          JIM: Okay.

19          DAVID: Pages is eight, what, eight months?

20 Nine? She's a year old now, okay.

21          JIM: Okay.

22          DAVID: She's a year old. Star is three.

23          JIM: Um-hum.

24          DAVID: Five, oh, boy, time has passed.

25          JIM: Um-hum.

           DAVID: Star is five. Cyrus is seven.

1 JIM: Okay.

2 DAVID: Cyrus is seven, and Bobby's what,  
3 eight months?

4 UNIDENTIFIED SPEAKERS: A year.

5 DAVID: A year!

6 JIM: Year?

7 DAVID: Uh-huh. You know how, you know how  
8 --

9 JIM: Okay, so Cyrus is the oldest then.

10 DAVID: Yeah.

11 JIM: Yeah, okay. Well, you want to send --

12 DAVID: And then there's, then there's  
13 Chanel.

14 JIM: Spell it.

15 DAVID: C-H-A-N-E-L.

16 JIM: Okay.

17 DAVID: And she's what, one?

18 UNIDENTIFIED FEMALE VOICE: One --

19 JIM: Okay.

20 DAVID: Okay, and there's Startle (phonetic  
21 sp.), how old is, she's one.

22 UNIDENTIFIED MALE VOICE: Yeah, yeah.

23 UNIDENTIFIED FEMALE VOICE: She's older.

24 JIM: Okay.

25 DAVID: Okay.

JIM: Um-hum.

1                   DAVID: Minah is one. She's just now two  
2 now, right? Okay, she's two.

3                   JIM: Um-hum.

4                   DAVID: And I'll, I'll give you some more  
5 names later.

6                   JIM: Okay. Are any of them ready to go, or  
7 can you get some ready to go?

8                   DAVID: No, I'm not gonna send them out yet.

9                   JIM: Okay.

10                  DAVID: We're going to get some things  
11 straightened out first.

12                  JIM: Okay. Well, get that telephone.

13                  DAVID: Yeah, we can, we need a decent phone  
14 and a lot of the stuff's going click, click, click.

15                  JIM: Oh, well, half of that's me.

16                  DAVID: And the media, you know, the media is  
17 out there and they're getting pretty teed off,  
18 especially a lot of these different other stations  
19 besides KRLD, where you've got these very -- oh, I  
20 don't know.

21                  JIM: I agree with you on that.

22                  DAVID: They're, they're, they're kind of,  
23 they're kind of idiots. They said they'd listen to the  
24 tape.

25                  JIM: Um-hum.

                  DAVID: And, you know, they said that they

1 don't understand what's being said. But of course,  
2 the, the smartest men --

3 JIM: You told me that.

4 DAVID: The smartest men of the world two  
5 thousand years ago supposedly professedly so, couldn't  
6 see the significance of truth though it stood in front  
7 of their face.

8 JIM: Well, you told me they wouldn't  
9 understand it. You knew that.

10 DAVID: Oh, well, the thing of it is is that  
11 why won't they? I mean, is Psalms 45 of the first  
12 seal? Is it the first thing God wants you to know  
13 about Christ that you don't know.

14 JIM: Um-hum.

15 DAVID: Is it?

16 JIM: You told me it was.

17 DAVID: Well no, did you see it? Is the pr--  
18 is the Psalms 45 the prophecy --

19 JIM: Um-hum.

20 DAVID: -- of which the revelation of Jesus  
21 Christ reveals?

22 JIM: Um-hum.

23 DAVID: A prophecy about Christ destroying  
24 his enemies and getting married.

25 JIM: Right.

DAVID: Yeah. And when he comes he's gonna

1 teach it before he does it, right?

2 JIM: Um-hum.

3 DAVID: So that men might know how to fear  
4 God. So Psalms 1 goes along with that seal by saying,  
5 you're blessed if you don't sit in the seat of  
6 scornful, stand in the way of sinners, or stay with the  
7 ungodly, but your delight is in this law of the Lord.

8 JIM: Um-hum.

9 DAVID: Otherwise you won't stand in the  
10 judgement, because in the judgement, Psalms 2 says the  
11 heathen will rage when they begin to see these things  
12 and they'll imagine things, go against the Lord, His  
13 anointed, and they'll say, let's break these bands  
14 asunder, let, let's, let's, let's, you know, get rid of  
15 these seals.

16 JIM: Hey, David?

17 DAVID: Yeah.

18 JIM: I want to -- they've got a 3:30 press  
19 conference, okay?

20 DAVID: Okay.

21 JIM: I want you to watch it. Now, Rachel  
22 told me today --

23 DAVID: Yeah.

24 JIM: -- and you told me this morning --

25 DAVID: Uh-huh.

JIM: -- that the agent on there had said

1 | that you were in a shootout with the sheriff's office.

2 |         DAVID: Oh, yeah, that was --

3 |         JIM: And that -- of course, I know it's not  
4 | true.

5 |         DAVID: Yeah.

6 |         JIM: And I went in there and, and told them  
7 | that. I said, you know, you, you said this, and this  
8 | wasn't the case, and David and his people were involved  
9 | in a, a shootout, but there was this guy, crazy Roden  
10 | guy, right?

11 |         DAVID: Well, see, no. The thing of it was,  
12 | the sheriff knows --

13 |         JIM: But it was no, you weren't shooting at  
14 | the sheriff, is what I'm saying.

15 |         DAVID: No.

16 |         JIM: Right.

17 |         DAVID: The guys were strictly shooting at  
18 | the ground.

19 |         JIM: Yeah, and Roden.

20 |         DAVID: You know, there's no bullet holes in  
21 | any vehicles, there's no bullet holes in any houses at  
22 | that time.

23 |         JIM: Right.

24 |         DAVID: You know.

25 |         JIM: And, yeah, and the sheriff, you weren't  
shooting at the sheriff.

1               DAVID: No way.

2               JIM: And I told them, I told them that, and,  
3 and hopefully, you know, they, they apologized to me,  
4 but I don't know -- I want them to clear it up and I've  
5 asked them to, but watch that at 3:30 and see if they  
6 do. I hope they will.

7               DAVID: Okay.

8               JIM: Okay? And --

9               DAVID: Now, we only get Channel 2 now.

10              JIM: Channel 2? It'll probably be on all of  
11 them.

12              DAVID: Okay.

13              JIM: Just watch it at 3:30. And I'm gonna  
14 go back again and double-check and see if I can ensure  
15 that they get that right. I was real angry about it,  
16 and I'm just trying to make sure it's done, okay.

17              DAVID: Okay, here, here, here's what we're,  
18 here's what we'll do. We'll -- you're --

TAPE #42

3/4/93

3:45 P.M. - 4:48 P.M.

1 (start Tape 42)

2 DAVID: All right, what about sending a  
3 couple of girls up there to get it, is that all right?

4 JIM: Oh, yeah, anybody you want.

5 DAVID: Okie-doke.

6 JIM: Send C.D., you know, I don't care.  
7 Send anybody you want, who cares.

8 DAVID: Okay.

9 JIM: And then, but only two men on the dogs.

10 DAVID: All right, no problem.

11 JIM: Okay, and no guns or nothing, you know.

12 DAVID: No guns, promise.

13 JIM: All right. And then think about what  
14 children you want to send down.

15 DAVID: Okay, we're thinking.

16 JIM: Okay. You know, anything, any time  
17 before dark is always safer, so just think about that,  
18 okay?

19 DAVID: All right.

20 JIM: But watch that press conference at 3:30  
21 and I'll talk to you after that.

22 DAVID: Okay.

23 JIM: And just do me one, one favor.

24 DAVID: Yeah, Jim.

25 JIM: David, I love Steve, but I like to deal  
with you.

1           DAVID: I know, but look, you know, there's  
2 people saying that, you know, I didn't get hit and  
3 stuff like that, look --

4           JIM: That's --

5           DAVID: It doesn't make any difference, look.  
6 The thing of it is --

7           JIM: You and I know you got hit.

8           DAVID: Today -- I have never in my life, of  
9 this 33 years, ever had such a -- hey, you know, I used  
10 to be a distance runner, you know. I used to be a, a  
11 very, very proficient athletic person.

12          JIM: Um-hum.

13          DAVID: And I have never in my life had such  
14 a physical feat that I have today. I mean --

15          JIM: I --

16          DAVID: To be able to, to get up on a one-  
17 foot tall plastic pot to do a number two.

18          JIM: Um-hum.

19          DAVID: I mean, I'm telling you. And when I,  
20 when I finally descended back into a position to where  
21 I could lay down, I mean I might as well have climbed  
22 Mt. Everest and come back.

23          JIM: Um-hum.

24          DAVID: I mean it, it was unreal.

25          JIM: I'm sure it was painful.

          DAVID: It's not, not just the pain so --

1 JIM: Let's see, I had Chan--

2 DAVID: You got Dailand --

3 JIM: (Indiscernible)

4 DAVID: -- Pages, Star, Cyrus, Bobby and  
5 Chanelle.

6 JIM: Right, I got that. Okay. Are those,  
7 any of those child -- oh, let's see Cyrus, Star, and  
8 Bobby are your children.

9 DAVID: All these are mine.

10 JIM: Oh, they're all your children, okay.

11 DAVID: Yeah. These are my babies.

12 JIM: Yeah, we'll take good care of them --

13 DAVID: Oh --

14 JIM: -- just like they're my own.

15 DAVID: Well, there's something about those  
16 babies and prophecies you all don't know.

17 JIM: Well, I --

18 DAVID: All through the Bible it talks about  
19 Messiah, the prince?

20 DAVID: Um-hum.

21 DAVID: Having children?

22 JIM: Um-hum.

23 DAVID: Supposed to be greatest honor to the  
24 world to be unitified (phonetic sp.) with the family of  
25 the universes?

JIM: Um-hum.

1                   DAVID: Of God?

2                   JIM: Um-hum.

3                   DAVID: Christ died two thousand years ago  
4 that you all might receive the knowledge of the holy.

5                   JIM: Yeah. Well, there's nothing more  
6 beautiful than a child.

7                   DAVID: But if you don't understand it, God  
8 plainly states what'll happen to the children of the  
9 world.

10                  JIM: Um-hum.

11                  DAVID: You know, that's the message of  
12 Malachi, said that before the great and dreadful day of  
13 the Lord --

14                  JIM: Um-hum.

15                  DAVID: -- God will send the spirit of  
16 Elijah, messenger of the covenant.

17                  JIM: Um-hum.

18                  DAVID: And his purpose is to turn the hearts  
19 of the fathers to the children and the heart of  
20 children to the fathers, lest I come and smite the  
21 earth under the curse.

22                  JIM: Um-hum.

23                  DAVID: But if you don't understand the  
24 importance of God and his knowledge of marriage --  
25 well, like, like I was saying, Jim. I mean, I know  
you're pacifying me, but maybe, just maybe --

1 JIM: Tell you, I'm not.

2 DAVID: Maybe what, some of the things I say  
3 might, you know, might enlighten a little question  
4 within your own heart. You know, why does God tolerate  
5 sin? That's the first question. Why didn't God, when  
6 Adam and Eve sinned, why didn't God just wipe them out,  
7 and we wouldn't have all this today, would we?

8 JIM: Um-hum. That's right.

9 DAVID: I mean, you know, such suffering and  
10 sorrow. What kind of wisdom is applied in all of this?  
11 Well, remember the statement. Many people overlook it,  
12 but the whole story of creation basically starts like  
13 this: Moses wrote the first records of creation.  
14 Okay? And in the times of Egypt, when Egypt was the  
15 most predominant empire of its day, the Egyptian  
16 pharaohs believed that they were gods. You know, you  
17 understand that, don't you?

18 JIM: Yeah.

19 DAVID: They were worshipped as gods, and  
20 when they died, their whole families -- course you  
21 know, all the early --

22 JIM: They built the pyramids, right?

23 DAVID: Oh, well no, actually, Joseph was the  
24 one that gave the knowledge of the pyramids.

25 JIM: Um-hum.

DAVID: You see, when you, when you read in

1 the scripture about the ark of the covenant, it talks  
2 about the covenant having oracles --

3 JIM: Um-hum.

4 DAVID: -- and having chains between the  
5 covenant and the oracles?

6 JIM: Um-hum.

7 DAVID: And you know, scholars, they're,  
8 they've always had a hard time interpreting certain  
9 words of the manuscript 'cause they don't understand  
10 what the words are.

11 JIM: Um-hum.

12 DAVID: And that's why get a concordance and  
13 it says possibly unknown root word, could be this,  
14 that, this, that, and the other. They try to put a  
15 word in there in the line of the verse. But really,  
16 the way the sanctuary was built is that the ark of the  
17 covenant was designed to where it had a -- well, you  
18 know, science has already discovered this -- it had a  
19 high electrical current through it.

20 JIM: Um-hum.

21 DAVID: Very, very high electrical current.  
22 And the purity of its gold and the fashionability of  
23 its structure permitted it to be used in a way to where  
24 God could communicate with a high priest. Well, what  
25 man fails to understand in regards to the records of,  
of Deuteronomy, Leviticus, and you know, all these

1 | testimonies or say chronicles and kings in regards to  
2 | this mysterious ark of the covenant, is that when men  
3 | such as Moses and the prophets were commanded to build  
4 | these things, they were also assisted by higher  
5 | intelligences. You know, we're talking about, we're  
6 | talking about beings from -- well, look, you've got a  
7 | sun, don't you?

8 |               JIM: Um-hum.

9 |               DAVID: Did the sun come up this morning?  
10 | Aren't you, aren't you on a ball, aren't you like,  
11 | don't you have an atmosphere and everything, and don't  
12 | you have certain laws of this nature and realm, to  
13 | where you're on this planetary, basic ball and you're  
14 | rotating it so much miles per hour, revolving around  
15 | the sun, so many days per year. I mean, you are really  
16 | on a path, you're traveling through space, aren't you.

17 |               JIM: Um-hum.

18 |               DAVID: And you keep coming back around to  
19 | the same place. Okay. Well, I mean, this is really  
20 | unique, to think that we're flying out here, hung in  
21 | the abyss of distance.

22 |               JIM: Um-hum.

23 |               DAVID: You know? Now, the thing of it is,  
24 | is that, as I say, it's not theoretical, it's  
25 | scientific.

              JIM: Um-hum.

1           DAVID: That from the beginning of time, the  
2           ancients, whether it be through poetic or whether it be  
3           through scripture, have always -- and this is not just  
4           a Judaism, this is, you know, from all your cultures,  
5           from all around the world. They talk about visitors  
6           from the stars who come here in some form or type of  
7           vehicle, right?

8           JIM: All right. Well, what would that be, a  
9           spaceship or something, hum? Sounds like.

10          DAVID: Well, remember, the spaceship concept  
11          is something that's not really understood until man  
12          finally reaches a point of evolution to where he finds  
13          out that he can, by wisdom, by the sermon of nature and  
14          the principles of construction to the laws of nature,  
15          he can fly. He -- the atmosphere is dense enough to be  
16          able to lift up the poundage that gravity holds down.  
17          You know, when you learn about energy and direction of  
18          energy, forces, the things of science, the natural  
19          energies, how to harness them, how to utilize them,  
20          then yes, man is, man has found the ability to, to  
21          strengthen then natural into the supernatural. What I  
22          mean is this: I mean that, to a primitive man or a man  
23          that's been separated from God, say from Eden, and has  
24          been left without the knowledge of the origin of  
25          creation, right?

          JIM: Right.

1                   DAVID: Man would find himself in a base,  
2 natural aftermath of nature or creation, such as the  
3 animals of the field, the natural source of the, the  
4 biological world, the geographical world, the nature of  
5 the world, and the natural habitat of nature, such as a  
6 man in Africa and a man in South America or a man in  
7 Alaska. You know, man will adapt to his nature, won't  
8 he.

9                   JIM: Um-hum.

10                  DAVID: And what nature presents to him will  
11 make him natural man. The ability to eat, to survive,  
12 to procreate, are all the natural instincts of man. So  
13 that's why the Bible says that man, by nature, without  
14 the instruction of God, is a beast. He's like the  
15 beast of the field. Okay. But, whereas man becomes  
16 inspired when his mind is able to all of a sudden  
17 perceive a better way --
